ACT QUICKLY

Delay Has Been Dangerous in Dwight. Do the right thing at the right time. Act quickly in time of danger. Backache is kidney danger. Doan's Kidney Pills act quickly. Plenty of evidence to prove this. N. Bucher, 219 W. Madison St., Pontiac, Ill., says: "My opinion of Doan's Kidney Pills has not changed since I publicly recommended them several years ago. I have taken this remedy on a few occasions since then and have always received the most gratifying results. In my work I am obliged to stand and I am in a stooped position most of the time. This weakened my kidneys and caused frequent pains in my sides and back. The kidney secretions were too frequent in passage at times, then again retention existed. Nothing relieved me until I took Doan's Kidney Pills. Soon after beginning their use I knew that I had at last found the right remedy for my trouble. My kidneys became strong and my condition improved so greatly that I felt like a different person. I always keep Doan's Kidney Pills on hand and my advice to other kidney sufferers is to give them a trial." For sale by all dealers. Price 50 cents. Stimulant or Tonic?
Ayer's Sarsaparilla is not a stimulant. It does not make you feel better one day, then as bad as ever the next. There is not a drop of alcohol in it. Ayer's Sarsaparilla is a tonic. You have the steady, even gain that comes from such a medicine. Ask your doctor all about this. Trust him fully, and always do as he says. He knows. Who makes the best liver pills? The J. C. Ayer Company, of Lowell, Mass. They have been making Ayer's Pills for over sixty years. If you have the slightest doubt about using these pills, ask your doctor. Ask him first, that's best. Made by the J. C. AYER CO., Lowell, Mass.
