A motorcycle and a horse cost about the same, but the motorcycle costs much less to "feed" and does more work in less time.

It is practically indestructible.

It "eats" only when it is working and earning you a profit.

It is never "sick."

It is always ready—quick, safe, reliable and economical.

Let us show you how and why. Come in—or write for details.

C. M. Baker, the veteran undertaker of Dwight, was in the city the first of the week, being in charge of the funeral of the late Dr. B. F. Johnson. For many years Mr. Baker and Dr. Johnson have been close friends, and it was the request of the doctor just before he died that Mr. Baker be called to Chicago and take charge of his body and stay with him until he was laid in his final resting place in the Pontiac cemetery. A very pretty linen shower took place Wednesday evening of this week at the home of Mrs. Nick Swanson, on East Mazon avenue. The shower was given by Mrs. Swanson and Mrs. Chas. Flomerfelt, in honor of Miss Emma Smith, who is soon to be married to Mr. Earl Drew.

About fourteen young lady friends of Miss Smith were the guests present.

The first part of the evening was spent in playing games of various kinds, until about ten o'clock, when the doors of the dining room were opened, and the guests invited in.

The room presented a very beautiful appearance, the decorations being in pink. In the center of the table was a white May Pole from which pink ribbons extended to each place, ending with a pretty little May basket filled with candy hearts, which were later given to the guests as favors. Small candle sticks with pink candles were at each place, with larger ones at the ends of the table, the room being lighted entirely by these.

The guests found their places by means of small cards decorated with a little Cupid. A delicious three-course luncheon was served.

Later the guests returned to the parlor where Miss Smith was seated in the center of the room, when to the strains of an appropriate selection played on the piano by Miss Lillian Kime, little Clarence Swanson marched in with a little white wagon, in which reposed the "shower" tied up in pink packages. Master Swanson, after marching around the room, stopped in front of the bride-elect and handed the gifts to her. Upon opening them each one was found to contain a handsome piece of linen together with a verse composed by the giver. These verses were read aloud by Miss Smith and caused much merriment.

At a late hour the guests dispersed, all having spent a very delightful evening.

Royal Neighbors Give Social and Take in a Candidate.

Thursday evening the Royal Neighbors gave a social at the Mickelson Hall, there being about one hundred guests including members and their families present.

The lodge met first taking a candidate into their order and transacting other business, the remainder of the evening being spent in having a good social time.

Dancing was the principal enjoyment of the evening.

At a late hour, after all had done justice to a luncheon consisting of sandwiches, pickles, cocoa and other delicious eatings, the merry crowd all journeyed homeward, having spent an enjoyable evening.

Deafness Cannot be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or perfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness caused by Catarrh that cannot be cured by Hall's Catarrh Cure. Send for particulars free.
