Bring Your Job Work to This Office :::

The price for either of three models—Touring, five-passenger—Torpedo, four-passenger—or Roadster, two-passenger—is \$1600. Not a cent more is needed to equip either car before it is ready for use, for top, Disc Self-Starter, Demountable rims, BIG tires, windshield, large gas tank, magneto—dual ignition system—and all things usually listed as extras are included. Write for illustrations showing how the New Self-Starting HUDSON "33" is simpler than any other car.

A 2-Year Advance in Automobile Design

For years Howard E. Coffin, the leading American engineer, has driven the milestones of automobile progress. He has never created a failure. He has built five famous cars. But his latest and greatest achievement is the

New Self-Starting HUDSON "33"

It is the simplest automobile built, for it has almost 1,000 fewer parts than has the average car.

The ravages of dust, dirt and grit ultimately ruin most cars. The New Self-Starting HUDSON "33" is the dust-proof car. Its motor, valve mechanism and all moving parts are enclosed. Dust and grit cannot get in.

Its Self-Starter, as simple as the car itself, weighs but 4 pounds, and has only 12 parts.

Owners of this car are getting 98 starts out of 100 chances. It is equally efficient in winter or summer. It was the only self-starter Howard E. Coffin would O. K.

Its accessibility is a great improvement over other cars. Adjustments are small matters, for every part is within easy reach.

We call it three years of progress, for the New Self-Starting HUDSON "33" is the one advanced car in three years. Two years from now you will probably be able to obtain its features on other cars. All Mr. Coffin's famous cars have served as models for other makers. There is no doubt but that the New Self-Starting HUDSON "33" will be widely imitated as soon as it can be done.

Come, see the Self-Starting HUDSON "33" today.

Another shipment of rugs due next week. Call and see them, you will find the best and largest assortment of medium and better grade rugs at C. M. Baker & Son's Furniture Store.

"Sunshine Finish" is not an ordinary varnish. It is in a class by itself; it has a lustre that lasts. If you want the best by actual test, use Sunshine. Sold at C. M. Baker & Son's.

The Reeb Granite Works of Dwight have kindly offered to donate the corner stone of the new Evangelical Church, which Rev. Ebert is now soliciting for. He is meeting with good success.

What is Chi-Namel? An everlasting varnish, rich in Chinese oil, contains no rosin or benzine, easy to apply, flows out perfectly, shows no brush marks or laps, requires little brushing. For sale at The West Side Furniture Store.

Mr. Conway has secured a man from Fairbury, who is a specialist in using dynamite to break up the large concrete foundation that he has been at work on trying to break up with powder. Mr. Conway did not have the time to put in on it as he has too many men and lots of work to look after, so secured this man to do the work.

The Dwight high school baseball team organized the first of the week and had their first practice Tuesday. Henry McConnell has been elected manager and it is expected that Henry will book in some good teams this summer. All the boys need in order to have a good team is to get out and practice as they have good material to start with.
