PONTIAC.

(Continued from page 2.)

Hill spent Tuesday evening in Flanagan, where they were the guests of friends.

Martin Weller, of Gardner, who has been spending several days in this city on business, left Wednesday for his home.

Mrs. B. F. Lambert, of Chicago, and formerly a resident of this city, arrived here Wednesday afternoon for a short visit with friends.

W. O. Pate returned Monday from Fairbury, where he had been at the bedside of his mother, who is quite ill at her home in that city.

Mrs. George Wooley, of Englewood, arrived in this city Wednesday afternoon for a short visit with Mr. and Mrs. Austin Wooley on East Washington street.

Mrs. J. Morrison and daughter, Miss Pearl Morrison, returned Monday morning from Flanagan, where they had been the guests of the former's son, Bert Morrison and family.

Mrs. L. S. Brown returned Tuesday morning via the Illinois Central from St. Augustine, Fla., where she had spent the winter, going there in November with her son, Lloyd S. Brown.

Mrs. Charles Rowell, of St. Louis, arrived here Sunday evening, being called here by the illness of her husband's father, H. Rowell, who is now

at St. James Hospital suffering from cancer of the stomach.

Mrs. Henry Steinback arrived in this city Wednesday afternoon from Kewanee, where she and her husband have been making their home for the past year, and is the guest of her parents, Mr. and Mrs. J. K. Dunn, on the east side. Mr. and Mrs. Steinback expect to soon return to this city to live.

It is now well known that not more than one case of rheumatism in ten requires any internal treatment whatever. All that is needed is a free application of Chamberlain's Liniment and massaging the parts at each application. Try it and see how quickly it will relieve the pain and soreness. Sold by all druggists.

ODELL

H. J. Hare was in Pontiac on business Monday evening.

John Franklin, of Terre Haute, Ind., was in town Tuesday on business.

Harry Bemis, of Chicago, spent Sunday in Odell with his mother and other relatives.

Frank Zebell, who attends Northwestern University, is home for a few days of rest.

Mrs. W. D. Imrie and father, W. Sackett, were attending to some business matters at Pontiac Monday.

J. H. Donahue, who has been doing jury duty at Pontiac, is home, having been excused from further duty.

J. F. Baird and J. E. Pfingston were Pontiac passengers Monday, going down as witnesses in the paving case.

P. H. Langan has started a small grocery store in one of the small buildings on the railroad ground near the Buchanan office.

John Sneyd and wife went to Streator Sunday to visit Mrs. Sneyd's parents and visit friends. They made the trip across country via automobile.

Alexis Gutel and Robert Corle, who have been in Florida all winter running a vegetable farm, have arrived home. They do not anticipate returning there until next fall.

Complaint has been made that several vicious dogs in Odell have bitten children the past week. Dogs are all right if properly taken care of, but our children are entitled to protection while on the streets and the village authorities are planning on strictly enforcing the muzzling ordinance regardless of the standing of the various owners of dogs.

Each age of our lives has its joys. Old people should be happy, and they will be if Chamberlain's Tablets are taken to strengthen the digestion and keep the bowels regular. These tablets are mild and gentle in their action and especially suitable for people of middle age and older. For sale by all druggists.

RAILROAD NEWS

The Alton loses the C. H. & D. rental of the depot in Springfield and the trackage charge between the junction in Springfield and the depot. Word has been received that effective July 1, the C. H. & D. will enter the city over the tracks of the B. & O. and will use union depot in Springfield instead of the Alton depot.

Paymaster J. H. Conroy, who was in Bloomington Saturday, brought the glad intelligence that the Alton has secured the loan of \$14,000,000 which has been sought for some time. Mr. Conroy stated that it was understood in the general offices in Chicago that the loan had been negotiated. Should this report prove true, it will no doubt mean the early resumption of the local shops and the immediate activity in the way of the betterments over the entire system.

A case which has been in the courts since 1906 and which involved the shipment of race horses from Springfield to New York by their owner, N. T. Kirby of Springfield, has been finally won by the Alton. The shipment was delayed by an eastern connection and the shipper filed suit because the Alton agreed to have the car handled on a fast train from Chicago. The lower courts gave Kirby \$4,200, but the supreme court saves the road that sum by holding that a special contract to expedite a shipment is void because it is a privilege not specified in public tariffs.

The Alton operated a special out of Chicago last Saturday afternoon, to Glen yards, carrying a group of prominent railway officials to inspect a new type of steel cross tie which the Alton is experimenting with. Four sections of rails have been equipped with the Simplex steel cross tie and the invention is attracting much attention. The new tie is of a unique design and is said to differ from all other metallic ties now in use. With the annual increase in the cost of wood ties and the expense of renewal, all of the roads are looking for the steel tie to replace the wood. As soon as a metal tie is produced which will hold the rails solidly and be produced at a reasonable expense, the roads will likely adopt it.

Baggageman Dad McKee, of the Alton depot force, as well as other trunk handlers of the western roads, must carry a yard stick after July 1. Commencing with that date, all trunks must be measured, as well as weighed. The limit in length will be forty-five inches, height or breadth; and all over will be charged excess, regardless of weight. Every inch over that limit will be charged at the rate of ten pounds excess. The size of trunks has been rapidly increasing of late years and it is difficult to get some of the monsters into the cars. The new rules also limit the size of show scenery. All over a certain length must go in specially prepared cars and loaded and unloaded by the show people themselves. It was originally planned to place the new rules in effect on January 1, but owing to the complaints from the traveling men that they could not change their trunks to conform to the new rules without considerable time, an extension was made until July 1. No further extension is looked for. The rules about collecting for storage are also to be more rigid and the roads will try to increase their earnings in this direction and thus make the baggage handling department more nearly self-supporting.

Move On Now!

says a policeman to a street crowd, and whacks heads if it don't. "Move on now," says the big, harsh mineral pills to bowel congestion and suffering follows. Dr. King's New Life Pills don't bulldoze the bowels. They gently persuade them to right action, and health follows. 25c at all druggists.

CHICAGO THEATRES.

Olympic.

No play in recent years has enjoyed the popularity attained by "The Only Son," which is in the fourth month of its run at the Olympic Theatre. The most potent factor in the success of Thos. W. Ross's play is said to be the powerful example of filial devotion—the boy who stuck to his mother when she was in trouble—which comprises the theme of this Winchell Smith play, replete with comedy, pathos and other dramatic elements which combine to make a play worth while. The 100th performance will be given Saturday, June 1st. Further information from the same theatre announces a schedule of vacation prices, whereby, in addition to the regular \$1.50 seats for evening performances, there are now on sale 500 good main floor and balcony seats at \$1.00 each. The usual \$1.00 Wednesday matinee prices will prevail.

Majestic.

There will be a notable program at the Majestic Theatre, Chicago, for the week of June 3rd, by reason of the fact that Wilton Lackaye, one of the foremost of American dramatic artists, will make his first appearance in vaudeville on that occasion. Mr. Lackaye will play an act written for him by Hall McAllister, entitled "Quits," in which he requires the services of two or three excellent actors, among them Emmet King and Edna Archer Crawford. The bill also includes a diving novelty called Ideal; Dorothy Dalton & Co. in a one act farce entitled "The Smuggler;" The Mankichi Troupe of acrobats and foot jugglers; McKay & Cantwell, musical comedy comedians; Dolan & Lenhart, travesty artists; Johnny Johnson, the singing comedian; and Delmore & Oneida in a perch act.

The Daily Inter Ocean, Prairie Farmer, Worlds Events, and the Star and Herald, all six months, for only \$2.00. You will want the local as well as the metropolitan news during the next six months. Call and see us or send your subscription to this office.

When your child has whooping cough be careful to keep the cough loose and expectoration easy by giving Chamberlain's Cough Remedy as may be required. This remedy will also liquify the tough mucus and make it easier to expectorate. It has been used successfully in many epidemics and is safe and sure. For sale by all druggists.
