The Sibley Journal gives the following receipt for preparing fish to eat, especially Carp: "First of all you catch the carp. Then you scale and clean them good and when ready to put in oven put the carp between two nice white pine boards, 1x4 preferred. After the fish has baked between the boards for 45 or 46 minutes take it out and throw it away. Then eat the boards."

Kidney Troubles Attack Dwight Men and Women, Old and Young.

Kidney ills seize young and old. Often come with little warning. Children suffer in their early years—Can't control the kidney secretions. Girls are languid, nervous, suffer pain.

Women worry, can't do daily work. Men have lame and aching backs. If you have any form of kidney ills you must reach the cause—the kidneys.

Doan's Kidney Pills are for weak kidneys—The following testimony proves their worth:

Capt. S. M. Witt, ex-chief of police, 603 W. Grove St., Pontiac, Ill., says: "I consider Doan's Kidney Pills an excellent kidney and backache remedy. I have used them for lame and weak back and they have given me great relief. I do not hesitate to recommend this preparation, for I have found that it acts just as represented."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

A Quarter Section

of good farm land, such as we have in Livingston County, is more than equal to the average gold mine.

IT IS A SURE THING.

Under proper tilling it produces a competence. And all the time it is increasing in value.

Why invest in land a thousand miles away of which you know nothing when we have bargains right here that will make you rich?
