(Continued on Page 3.) AFTER FIVE YEARS. Dwight Testimony Remains Unshaken. Time is the best test of truth. Here is a Dwight story that has stood the test of time. It is a story with a point which will come straight home to many of us. Mrs. W. H. Giles, 400 S. Franklin St., Dwight, Ill., says: "I had been suffering with severe pains in the small of my back and sides for several years. I took lots of medicine trying to get relief, but to no avail. My kidneys were sore and the secretions became unnatural. As Doan's Kidney Pills had been recommended to me, I began their use several weeks ago and I am very much pleased with the results. I have but little pain in my back and I have more energy." The above statement was given May 8, 1907, and when Mrs. Giles was interviewed on March 20, 1912, she said: "I have had no reason to change my high opinion of Doan's Kidney Pills. The relief this remedy brought me has been permanent, and I have had no occasion to use a kidney remedy since." For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.
