**DWIGHT STAFF:**  
Having just returned to Denver from a visit through Illinois, after an absence of thirty-five years, I would thank you, if agreeable to publish this item:

I visited many places that were familiar to me in my young days. I spent many pleasant hours with Dear Old Friends, especially at Dwight, where I spent most of my time with Mr. and Mrs. J. M. Burnham and family, and it was one of the most enjoyable visits of my life. They did all in their power to make it pleasant for me and not while life lasts will I forget their kindness.

I also visited at Broughton, where I once lived and where I spent a part of my school days and I met some friends there whom I had known for many years.

Through the kindness of Mr. Burnham I was able to visit Mr. Yanco Furr at or near Seneca, with whom we enjoyed a very nice time visiting with him and his children. In that section of Illinois also visited Mr. John Burnham and family at Plana, who has a very interesting family. He has one of the most modern improved farms of that section of Illinois.

I noticed many improvements the country over, especially in and around Dwight. There things in general look good. Its new beautiful homes, fine business blocks, paved streets, shade trees and lawns all were appreciated so much by me. Located as it is, in one of the finest sections of our United States, and blessed with a contented and happy people, I will say to one and all that you have homes to be proud of and would look for a long time before finding a better country, better town or better people.

I met but few people I ever knew, but in going through your cemeteries I noticed many stones marked with familiar names, which was the only sad part of my visit. May they rest in peace.

I now live in Denver, Colorado, where I have made my residence for the past twenty-five years, and it is a grand city to have grown up here in a section which was once known as part of the "Great American Desert."

Yours truly,  
THOMAS S. WOODARD,  
1359 Delaware St., Denver, Colo.

**Baseball at Cabery.**  
The ball game at Cabery Sunday, July 7th, was won by the Cabery Defenders, by a score of 10 to 0. The boys from Dwight seemed to be in poor condition after their ride through the rain and mud, gave a poor exhibition of the national game against Cabery, and Cabery has just cause to be proud of their ball team this year as they are the best that the F. L. Smiths has tackled this season.

Jim Flood lost his first game Sunday against them, and he had poor control and support. Both infield and outfield were the worst ever. Sam Lannon was the only one of the bunch that played up to form. Frank Flood caught his usual steady game. Adams for Cabery pitched a good game and scored his second shutout against Dwight this season. The same teams will meet at the West Side Park, at Dwight, Sunday, July 28, for the third game of the season, and our boys expect to give a good account of themselves on that day.

Sunday, July 14, the Smiths will try out a new third sacker, by the name of Bames, and Gutel will be on second. The infield will be the best we have had this season; Lannon, Burns and Kern will take care of the outfield.

Sunday, July 21, the Herscher boys will be the attraction. They beat Cabery the Fourth. No further introduction is necessary.
