The residents of Franklin street are already fixing their parking up to the paving, and it is hoped that everyone will take pride enough in this matter and make it the handsomest street in Dwight. The filling in of the sarco was finished Thursday night, and if the inspection is finished and the street cleaned it may be opened for traffic today.

## Don't Gamble In Clothes

THE average man knows little about clothes. He likes the color of the fabric, the cut of the garments, but has doubts of the wearing qualities.

He looks on clothes-buying as more or less of a gamble. The man who chooses our clothes does not gamble. He takes no chances. Six months after he has bought a suit he is still satisfied. The wearing qualities are there.
