Wizard Triangle Oil Mop

A New Creation by the Wizard Products Co.

It accomplishes better results and is a more desirable mop for the following reasons:

An even pressure can be brought to bear on all parts of the mop coming in contact with the floor. There are no long ends to become entangled around chair legs or other furniture. Its triangular shape makes it possible to get into corners. It is more sanitary for the reason that it can be washed when it becomes dirty and renewed with Wizard Mop Oil and the mop is then as good as new.

A mop handle is furnished with each Wizard Triangle Oil Mop. To introduce these mops we will include with each mop a 25c bottle of Wizard Mop Oil.

THE BIG FAIRBURY FAIR
Will Open Monday, Sept. 2, and Close Friday, Sept. 6.

Many Special Attractions.
The big Fairbury fair is only a little over a week away and everything is in readiness for the big annual agricultural show of Livingston county. The officers of the fair have arranged a splendid program for the week. Of course harness races will be one of the leading features as usual and there will be a big string of fast horses in the races. The management has also added motorcycle races to the track program and two races between riders of wide reputation will be put on each day. There will be from five to seven riders in each race. For the special features the management has secured a herd of four East India elephants, a loop-the-loop bicyclist, a unicycle rider, trapeze performances, athletic performances and slack wire artists. There will be something to see all the time on the big platform in front of the grand stand.

In addition to these features there will be the big agricultural show, fine horses, hogs, sheep, cattle, fruits and vegetables, paintings, drawings, fancy work, merchandise, implements etc. Competition open to everyone and good premiums paid. Undoubtedly there will be a large attendance from this locality as the people know the Fairbury fair is a place to get your money's worth.

MR. JOSEPH BARTH DIES

A Young Resident of Dwight Passes to the Great Beyond.
Mr. Joseph J. Barth, youngest son of Mr. and Mrs. John Barth, Sr., living in the southeast part of town, passed away early Monday morning, August 19, at the early age of 22 years. The immediate cause of his death was valvular heart trouble, from which he had been a sufferer for four months, most of the time of which he was confined to his bed. He was born at Rome, Wis., April 1, 1890, and when but two years of age moved with his parents to Dwight, Ill., where he has lived since, up to the time of his death.

He attended the Dwight public schools, and was a bright, promising young man. He loved music and was quite talented in that art, and was a member of both the Dwight and Odell bands.

He was a carpenter by trade, working in conjunction with his brother, Mr. Will Barth.

Besides a large circle of friends Mr. Barth leaves of his immediate family his father and mother, two brothers, and one sister to mourn his loss, namely: Mr. John Barth, of Dwight; Mr. Will Barth, of Bloomington, and Miss Tillie Barth, of Dwight.

Funeral services were held Wednesday morning at 9:30, at the Catholic church, Rev. Kerrin, of Sunbury, conducting high mass.

The Knights of Columbus, of which order deceased was a member, attended the services in a body, also the members of the Odell band.

Burial took place in the Catholic cemetery.

Among those from away who attended the funeral were: Mr. T. Koehler, Miss Rose and Arthur Schosser, of Chicago; Miss Lizzie Walter, Des Plaines; Mrs. and Miss Ehrhart, and Bernard Schmidt, of Naperville; Mr. and Mrs. John Barth and daughter Elizabeth, Mr. and Mrs. Richard McDonald, of Bloomington; Mr. and Mrs. Geo. Walkey, of Winnetka.

Card of Thanks.
We wish to thank all our neighbors and friends for their many kindnesses and sympathy shown us, which we so deeply appreciate, during the illness and death of our son.

SEVENTH ANNUAL COUNTY FAIR

Opens at Mazon, Ill., August 27 and Continues the 28th, 29th and 30th.
The seventh annual county fair opens at Mazon, Ill., August 27 and continues the 28th, 29th and 30th. The arrangements for the fair this year are more extensive than upon any former occasion, and every indication points to the best exhibit and the largest crowds of any year yet. The management have spared no expense in perfecting the arrangements for the proper exhibit of the entries as well as providing entertainment and rest features for the patrons of the fair.

There will be offered \$15,000 in premiums and already a large number of entries in all the different classes have been arranged, many entries which are filed that have never before attended the fair in Grundy county.

It is anticipated that the exhibit of horses, cattle, sheep and hogs will be better than ever before this year as the premiums offered on all classes of live stock are large and a number of loving cups will be offered as special prizes.

It is to the interest of the farmers to show their stock in good condition and make the best showing possible as it is good advertising for the stock handled, and often leads to good sales to people who see what they are looking for.

The Grundy County fair affords a splendid opportunity for the ladies to display their ability in the various departments of home work. It also affords a good opportunity of meeting old acquaintances, exchanging views, seeing new methods, and brushing up on the modern ideas and advancement taking place in the world.

The entertainment program is to be a good one as the features have been selected with discrimination and it is anticipated that those who attend will find the entertainment one that will please them. Season tickets and seats in the grand stand can be secured in advance by applying to the secretary, F. H. Clapp, of Mazon, Ill.

Arrangements have been made with Mayor William E. Somerville, of Coal City, who has just recently finished building an aeroplane which has already been demonstrated as among one of the best known, with improved features not possessed by a number of other makes, to give a flight on Wednesday, August 28th, starting from Coal City and making a circuit of Mazon and alighting on the fair grounds.

On Thursday the aviator will make a flight starting from Mazon and after an exhibition of aviation flying will fly back to Coal City.

This will be a demonstration of a local county enterprise that will be appreciated by all its people for there are yet many hundreds of people in the county that have not had the opportunity of witnessing a flight of an aeroplane.

The association have rearranged the buildings this year so that there is more room than heretofore and the accommodations are that much better. A new water system has been put in also with cement tower.

Among the local features of the fair will be the ball games. The playing scheduled has been so arranged as to create an unusual amount of local and general interest each day of the fair, as these features alone will insure a big attendance daily. The following are the teams who will play:
Tuesday—Marselles vs. Mazon.
Wednesday—Brazeville vs. Kinsman.
Thursday—Coal City vs. South Williamson.

Friday—Dwight vs. Morris.
Those who intend to have any thing in the line of exhibits should communicate with F. H. Clapp, secretary, at Mazon, who will be glad to supply all information blanks and tell you any thing you wish to know in regard to the fair.

CHICAGO THEATERS.

Majestic.
One of the big features of the bill at the Majestic Theatre, Chicago, for the week of August 26th will be the appearance of Thomas A. Wise, one of the most genial and popular of American comedians. Mr. Wise will appear in a condensed version of "The Gentleman from Mississippi," a great play with which he was most conspicuously identified. Others on the bill are Camille Ober, the beautiful singing comedienne, with a voice of remarkable range and purity; Tom Linto, the comedian, and the Jungle Girls have a spectacular act in which dancing is happily combined with lively singing and comedy.
