**DON'T EXPERIMENT.**  
You Will Make No Mistake if You Follow This Advice.  
Never neglect your kidneys. If you have pain in the back, urinary disorders, dizziness and nervousness, it's time to act and no time to experiment. These are frequently symptoms of kidney trouble, and a remedy which is recommended for the kidneys should be taken in time. Doan's Kidney Pills are a good remedy to use. It has acted effectively in many cases in this vicinity. Can Dwight residents demand further proof than the following testimonial?  
James G. Rising, 1242 Phelps St., Ottawa, Ill., says: "The statement I gave in December, 1908, regarding Doan's Kidney Pills still holds good and I gladly re-endorse them. I am better now than I have been in several years. For two or three years I had spells of backache. The secretions from my kidneys were irregular in passage and looked very unnatural. I did not get my right rest and in the morning was tired. After trying a number of remedies without finding relief, I used Doan's Kidney Pills. Two boxes relieved me and made me feel better in every way. I always keep a box in the house and I use them whenever my kidneys are not acting just right. They bring good results."  
For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.  
Remember the name—Doan's—and take no other.
