### The Men Who Succeed

as heads of large enterprises are men of great energy. Success, today, demands health. To all is to fail. It's utterly folly for a man to endure a weak, run-down, half alive condition when Electric Bitters will put him right on his feet in short order. "Four bottles did me more real good than any other medicine I ever took," writes Chas. B. Allen, Sylvania, Ga. "After years of suffering with rheumatism, liver trouble, stomach disorders and deranged kidneys, I am again, thanks to Electric Bitters, sound and well." Try them. Only 50 cents at John A. O'Malley's.

# Nervous? Thin? Pale?

Are you easily tired, lack your usual vigor and strength? Then your digestion must be poor, your blood must be thin, your nerves must be weak. You need a strong tonic. You need Ayer's Sarsaparilla, the only Sarsaparilla entirely free from alcohol. We believe your doctor will endorse these statements. Ask and find out.

If you think constipation is of trifling consequence, just ask your doctor. He will disabuse you of that notion in short order. "Correct it at once!" he will say. Then ask him about Ayer's Pills. A mild liver pill, all vegetable.

## FACT.

### Local Evidence.

Evidence that can be verified. Fact is what we want. Opinion is not enough. Opinions differ. Here's a Dwight fact. You can test it. Mrs. W. H. Giles, 400 S. Franklin St., Dwight, Ill., says: "I had been suffering with severe pains in the small of my back and sides for several years. I took lots of medicine trying to get relief, but to no avail. My kidneys were sore and the secretions became unnatural. As Doan's Kidney Pills had been recommended to me, I began using them and I am very much pleased with the results. I have but little pain in my back and I have more energy."

The above statement was given May 8, 1907, and when Mrs. Giles was interviewed on March 20, 1912, she said: "I have had no reason to change my high opinion of Doan's Kidney Pills. The relief this remedy brought me has been permanent."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.
