What is the difference between an honest farmer and a thief?

One tills the soil, the other soils the till!

We dislike to mention the farmer, with such a disreputable character, but the farmer shines in comparison! We want all farmers to know that we want rare, choice fat stock, hides and tallow, for which we pay the market price, in cash.

### REPUBLICAN RALLY.

Candidates Arrive in Special Train Over Chicago & Alton.

Governor Deneen, accompanied by Republican state candidates W. H. Stead, C. J. Doyle, James S. McCullough and B. M. Chipperfield, arrived in our city Wednesday at 1 o'clock in a special train over the Chicago & Alton and remained here for a half hour, addressing a large crowd consisting mostly of men, who crowded around the special train.

The Dwight band was out in full uniform and rendered several selections, as the train pulled in.

Gov. Deneen was the first speaker introduced and said, that he would not speak on the constructive work of the state's government but would devote his attention more particularly to the destructive work of his opponent, Judge Dunne, who had asserted that the expenses of the state have increased from \$5,000,000 per annum under Gov. Altgeld to over \$13,000,000 per annum under Deneen. When Dunne was mayor of Chicago the expenses of that city increased over \$100,000,000 during Dunne's three years' office, over that of twenty years ago. The Judge says that the cost of our state government is high and our expenses extravagant. It has been ascertained that the per capita expense per man in this state was \$2.26 per year. Seventy per cent of the states in the Union spend more than that and 30 per cent less, and the 30 per cent less are the backward states of the south. In the state of New Jersey, Gov. Wilson's state, the per capita expense per man was \$3.34. In Indiana, Marshall's state, it was \$3.12 and in California, Johnson's state, it is \$6.86.

Mr. Deneen stated that Illinois spends more every year for public charities than it spent for all purposes twenty years ago. Out of every dollar in the treasury thirty-four cents are set aside for that purpose. There are now 17,500 wards in its different state asylums.

The Governor recited briefly many more of the achievements of his administration, which he declared worthy the attention of the voters. He then called their attention to a pamphlet "The Political Record of Illinois, 1905-1912," which is to be distributed widely over the state, and declared that on this record he only asked for an honest judgment.

Mr. McCullough, state auditor, who is an one-armed soldier, was then introduced, and was given several rounds of applause. Mr. McCullough is not a speech-maker but very gracefully excused himself and acknowledged the compliment of the hearty applause.

Attorney General Stead then made a brief speech in regard to the beneficial laws that had been passed during the eight years of Deneen's administration and showed that during his time more good laws had been passed for the regulation of state affairs, justice to the laboring people, economy and many other lines for the good of the people than during the period of the last thirty years.

Secretary of State Doyle in his remarks devoted his time in showing how under the administration of Deneen the people had been given a primary law and that all the candidates of the republican party were regularly and honestly nominated and should receive the vote of every republican.

There were many who were anxious to hear from Mr. Chipperfield, but the schedule for the stop was taken up and the train pulled out amid cheers.

There were large crowds at all places and the candidates all report that the prospects are bright for republican success all along the line.

### Political.

Hon. Frank O. Lowden, former congressman and national republican committeeman for Illinois, will speak in Pontiac, Wednesday, October 23. ### DEATH OF REV. RICHARD CREWES.

Former Pastor of M. E. Church in This City Died in Samford, Fla., Wednesday.

Rev. Richard Crewes, formerly pastor of the M. E. Church in this city, died in Samford, Florida, Tuesday at 3:40 p. m. Rev. Crewes served four years here as pastor about fifteen years ago and during his stay made many friends who will be greatly surprised to hear of his sudden death. The following was clipped from the Bloomington Pantagraph:

"Word was received in Normal Tuesday night of the death of Rev. Richard Crewes, of that city, in Samford, Fla. The death of the well known Methodist minister occurred at 3:40 p. m. Tuesday.

"Rev. Mr. Crewes had gone to Florida only lately to see after some land interests in that vicinity and Tuesday his daughter, Mrs. C. S. Butterworth, of Normal, received a message that he was ill. The message was also sent to Rev. W. R. Wiley, of North University street, Normal, and he got into communication with Mrs. Crewes, who was visiting relatives in Morris during the absence of her husband. Late in the afternoon another message was sent to Rev. Mr. Wiley stating that the condition of Mr. Crewes was very grave, and so he and Mrs. Crewes at once made preparations to depart for Florida to the bedside of the sick man. Then about 9 o'clock the message was received that he was dead. Rev. J. T. Jones, of the Methodist Church at Normal, also received a telegram in the afternoon addressed to the pastor of the Methodist Episcopal Church of Normal stating that Mr. Crewes was seriously ill and that he should notify the family at once. Mrs. Crewes and Rev. Mr. Wiley left Tuesday night at 9:45 on their way to Florida and they will bring the body back to Normal for burial.

"Rev. Richard Crewes was sixty-two years of age and had been a Methodist minister for thirty-three years. He was taken into the Methodist conference when a student at the Illinois Wesleyan University. His first pastorate was at Lexington, and his others are as follows: Piper City, Milford, Watska, Fairbury, Washington, Geneseo, Houlton, Dwight, Lostant, Normal, First Church of Peoria, and was district superintendent of Pontiac district for six years."

A telephone message informs us that the funeral will be held at Normal Church next Monday afternoon at 2:00 p. m. Burial in Lexington cemetery.
