

JACK APPLE ARRESTED.

Takes Horse and Buggy not Belonging to Him from Hitching Rack.

A man giving the name of Jack Apple was arrested in this city last Saturday night about 12 o'clock by Chief of Police Hansen, charged with taking a horse and buggy which did not belong to him.

Mr. Apple, who has been working on a farm about ten miles northwest of Dwight came to town last Saturday night and after loading up on a few drinks went to the hitching rack and took a horse and buggy belonging to John Emery, a farmer living near Dwight.

After securing the outfit he started for the country and was seen whipping the horse and driving at a rapid rate west of town.

Farmers living west of the city were notified to be on the watch for the man and rig and about 11:30 Chief of Police Hansen was notified that a man bearing the description of the man wanted was seen driving toward Dwight.

Policeman Hansen then went to the west part of town and after a few moments wait met the man coming down Mazon avenue and arrested him.

He was taken to Pontiac Sunday morning and placed in the county jail until a hearing could be given.

A HAND-MADE CIGAR FRESH FROM THE TABLE

wrapped in foil as soon as made, thus keeping fresh until smoked. A fresh cigar made of good tobacco is the ideal smoke. The old, well cured tobaccos used in the Single Binder are so rich in quality that many who formerly smoked 10c cigars now smoke LEWIS' SINGLE BINDER straight 5c. In fact, Lewis' Single Binder does taste like a good 10c cigar. The Lewis' Single Binder costs the dealer some more than other 5c cigars, but the higher price enables this factory to use extra quality tobacco, thus giving the consumer a better smoke than is possible in big profit cigars.

Tell the dealer you want LEWIS' Single Binder.

A mild, satisfying smoke. Our package not only assures fresh cigars for the smoker, but makes a most convenient package for the pocket or to carry when traveling.

Dwight Resident Injured in Gardner.

The following was clipped from the Gardner Chronicle:

Mrs. Davis, of Dwight, who is visiting here at the homes of her nephew, W. S. Allison, and niece, Mrs. J. A. Govey and Mrs. A. L. Booth, went to the home of her grandniece, Mrs. Dr. F. M. Allison, last Thursday morning to spend the day, and while there, she started to go from the kitchen into the dining room, but mistook the door leading to the basement instead, and fell down the stairs. She was removed to the bedroom, and upon examination Dr. Allison found she had no broken bones, but had severely injured her head and hip. She was unconscious until late in the night, and just how the injuries will terminate, cannot yet be known, as the lady is well advanced in years, being about 87 years of age, but relatives and friends have hope for recovery.

PEDESTRIAN TRAVELS AROUND THE WORLD.

Arrives in Dwight Friday Afternoon on Long Tramp.

Ralph Brown, a British subject came into Dwight Friday afternoon, walking here from Pontiac. Mr. Brown is completing the final stretch of his walk around the world, which, when completed, will make an aggregate of over 25,000 miles he has walked.

Mr. Brown says he started on the tour as the result of a wager of \$25,000 between several diamond kings in southern Africa that a man could not walk around the world, making his own way, and complete the journey in five years. He left Auckland, N. Z., in 1908, and has traveled for four years and three months, having nine more months in which to complete his journey. He has been received and entertained by some of the great rulers of the world and carried with him the signature of these officials, together with the seal of every state and nation through which he has traveled. Besides these he has pictures which he secured himself of the war conditions in Mexico, and also of the disturbances in China a few years ago.

Mr. Brown has pursued the same in America as elsewhere and has in his books the signature of Gov. Deneen and many other state and city officials through whose precincts he has traveled.

He gave a history of his walk and showed a number of pictures which he had taken during his travels at the opera house Friday and Saturday. He left early Sunday morning for a hike for Chicago.
