

REPUBLICAN RALLY

PONTIAC HOLDS A HUMMER--COL. FRANK O. LOWDEN THE SPEAKER

Big Parade and Lots of Fireworks--Dwight Sends 150 with Band

GRAND RALLY IN DWIGHT NEXT WEDNESDAY

It was estimated that 10,000 people saw the parade and took part in the republican rally at Pontiac Thursday evening.

It is quite probable that all were not republicans, but from the cheering and enthusiasm it is evident that most seriously before casting a vote which might disturb the existing conditions.

It was like old times. Nearly every city and town in the county were represented, and the parade was over a mile long and the court house square in Pontiac as light as day from the thousands of red lights, sky rockets, fireworks, etc. There were four and all were good ones.

Col. Frank O. Lowden was the speaker and made a splendid speech. The Colonel has always been a favorite in this county and his reception was very pleasing to him. His speech was full of clear cut arguments. He was one of the national committee who settled the contests in the national convention and knows whereof he speaks when he says President Taft was honestly nominated. The

Colonel spoke seriously and said this election was a crisis and when there was a crisis in the republican party it meant a crisis in the nation and in the whole world. He advised all republicans, regardless of party, to think seriously before casting a vote which might disturb the existing conditions.

BIG LEAGUERS DEFEAT F. L. SMITHS.

Large Crowd Gathered Around Depot to See Cub Players as They Alighted from Alton Limited.

The much talked of baseball game between the F. L. Smiths and the Chicago Cubs was pulled off in Dwight Thursday and was witnessed by several hundred enthusiastic fans. Although the crowd was large it was not as large as was expected, it probably being due to the condition of the roads and the changing of the dates, as the game was billed to have been played here last Friday but owing to the city series lasting longer than was expected the game here was postponed until Thursday of this week.

The Cubs arrived on the Alton Limited and were greeted by a large crowd who had gathered on the depot platform. They were immediately taken to the Livingston Hotel to change uniforms and were from there taken to the west side ball park in automobiles furnished by local residents. They had their regular line-up with the exception of Evers, who was detained in Chicago on business.

The battery for the Cubs was Cheney and Liefeld as pitchers, Cotter and Archer as catchers; for Dwight, Higgins, Mickelson and Flood as pitchers and F. Flood as catcher.

The first inning the Cubs made five runs followed by one in the third and three in the fifth, making a total of nine scores.

Although the Dwight team had Wolfe of the White Sox and Reinagle of Pontiac, who has been playing with the league in the south, they were only successful in getting four hits and three runs off of Cheney and Liefeld.

The special features of the game were the home run hit made by Zimmerman and the foul ball hit by Archer which was batted over Matzen's barn.

The following is the line-up:

Holiday Paper.
As usual this paper will issue a fine holiday edition with an illuminated cover, a copy of which will go into the home of every family in and around Dwight, and many to neighboring towns.

We are interested in bringing a big trade to Dwight this year, and with the liberal co-operation of our business men, there is no reason why the holiday trade in all lines should not be a record breaker.

Please think this matter over and think up good live advertising for this season.

The special edition will be December 7, but it will be necessary to have the copy in early.

Times are good and this means much to Dwight and every business man should be represented.

Home of Cinnamon.
Cinnamon is a species of laurel that thrives in Ceylon.

TWO ACCIDENTS IN OUR CITY THURSDAY.

Boy has Leg Cut.—Girl's Arm Crushed at Laundry.

Torthson Peterson, son of Mr. and Mrs. Thomas Peterson, living on West Chippewa street, received a very painful injury to his right leg Thursday afternoon while returning from the ball game at West Side Park. He and a number of other small boys were endeavoring to get a ride to town on a delivery wagon when he was either pushed or caught in some manner in one of the wheels and was whirled around several times before the wagon could be stopped.

Dr. Barr, who was near the scene, picked the boy up and brought him to town in his auto. After examining him it was found that no bones were broken, but that a deep gash of several inches was cut in his right leg below the knee which required a number of stitches to close.

Miss Lial Skaggs, employed by the Dwight Artesian Laundry, met with quite a serious accident Thursday morning at 7:30 o'clock, by having her arms crushed in a mangle machine. She had just started to work, having put a handkerchief in the machine to iron, when she asked one of the other girls to turn on the pressure as it had not been turned on yet. Just as she was turning it on Miss Skaggs got her hand or clothing caught in some way so as to force her right arm between the rollers. She then tried to pull her arm out, but in so doing her left hand also became caught between the rollers. She screamed for help, and although there were a number of other girls watching the accident, they were so frightened that they did not turn the machine off, and it was not until Manager Gregory was notified that the machine was stopped.

Her right arm was badly crushed but no bones were broken and amputation will not be necessary as was reported around town Thursday morning. A few bones were broken in her left hand, but it was not crushed so badly.

At this writing she is resting easy and will probably get along nicely if nothing else sets in.

Postoffice News.
Patrons of rural routes should understand that all carriers are ordered to supply any patrons with any denomination of stamps desired, or envelopes with the government return on and blank space for the name, postal cards, etc. It is not necessary to come to the office to be supplied. Please report any refraction of this rule.

A frame enclosing the different sizes of envelopes, wrappers, stamp books, etc., has been placed on the south wall of the postoffice for the accommodation of the patrons. A description and price of each is typewritten thereon. Particular attention is called to the display.

Money orders and registers are received by rural carriers, and receipts given therefor.

There will be no city or rural delivery of mails Thanksgiving, but patrons on the city routes can get their mail from 8:30 to 10 a. m. The office will then be closed for the day. This is done with a desire to do justice to the carriers on holidays, and we believe the public will coincide with the plan. This will probably be done every holiday except Christmas. We will give thanks, say the carriers.

There bids fair to be a large class examined for rural carrier Nov. 9.

Big Democrat Rally.
