The Coughs of Children They may not cough today, but what about tomorrow? Better be prepared for it when it comes. Ask your doctor about keeping Ayer's Cherry Pectoral in the house. Then when the hard cold or cough first appears you have a doctor's medicine at hand. This cough medicine is especially good for children. No anodynes. No alcohol. Many a child is called dull and stupid when the whole trouble is due to a stop liver. We firmly believe your own doctor will tell you that an occasional dose of Ayer's Pills, sugar-coated, will do you children a great deal of good. Ask him. Made by Dr. J. C. AYER & Co., Lowell, Mass.
