**DISTINGUISHED STYLES IN
WOMEN'S TAILORED
SUITS AND COATS**

A priceless business asset is the reputation that rests on the solid rock foundation of integrity. For forty-three years through thousands of transactions, we have jealously guarded our reputation for fair dealing—representing merchandise just as we know it to be, asking a fair price and giving you as helpful service as has been possible.

This explains why the area from which we draw trade has widened every season, until now we count as our friends people who are sixty miles distant. This would not be the case had not every purchase acted as an advertisement in our favor.

In no branch of our business have our efforts met with greater success than in the line of WOMEN'S READY-TO WEAR clothes. We carry no garments of doubtful quality. We tell you exactly what you are buying and help you in every way possible to buy what you know will fill your needs.

QUALITY first and then STYLE—that goal toward which, whether we confess it or not, we all strive.

HEENAN'S tag on a garment means the last inspiration of the cleverest fashion designers and reasonable price.

We refund railroad fare one way on purchase of \$10; round trip on purchase of \$20.
