FACTS

Local Evidence. Evidence that can be verified. Fact is what we want. Opinion is not enough. Opinions differ. Here's a Dwight fact. You can test it. Mrs. W. H. Giles, 400 S. Franklin St., Dwight, Ill., says: "I had been suffering with severe pains in the small of my back and sides for several years. I took lots of medicine trying to get relief, but to no avail. My kidneys were sore and the secretions became unnatural. As Doan's Kidney Pills had been recommended to me, I began using them and I am very much pleased with the results. I have but little pain in my back and I have more energy." The above statement was given May 8, 1907, and when Mrs. Giles was interviewed on March 20, 1912, she said: "I have had no reason to change my high opinion of Doan's Kidney Pills. The relief this remedy brought me has been permanent." For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.—Adv. 10
