wrapped in foil as soon as made, thus keeping fresh until smoked. A fresh cigar made of good tobacco is the ideal smoke. The old, well cured tobaccos used in the Single Binder are so rich in quality that many who formerly smoked 10¢ cigars now smoke LEWIS' SINGLE BINDER straight 5¢. In fact, Lewis' Single Binder does taste like a good 10¢ cigar. The Lewis' Single Binder costs the dealer some more than other 5¢ cigars, but the higher price enables this factory to use extra quality tobacco, thus giving the consumer a better smoke than is possible in big profit cigars.

Quite a number of patrons visited the seventh grade program Wednesday afternoon. They had their room decorated with corn and there were many Thanksgiving drawings on the boards. The first graders have made the home of the Pilgrims in America on the sand table. They also have the ocean and the Mayflower represented on the sand table. It is very real.

Mr. West who was called home last week on account of the serious illness of his mother, is on duty again.

Thirty-one out of thirty-six pupils in the third grade were perfect in spelling, Wednesday.

The November booklets were finished Friday and put on exhibition for the exhibition which the grades are planning.

The sixth grade program, Wednesday afternoon was very good. Several patrons were present to enjoy it and encourage the children.

The cantata, "All the Year Round," which is to be given at the Opera House, Friday, December 13, is well under way. The children are selling tickets for it, which can be exchanged for reserved seats at O'Malley's drug store after 9 a. m., Wednesday, December 11. Be sure and buy your tickets early. The money is for the Victoria to be used in the grades.

Do not forget the free illustrated lecture to be given at the High School Auditorium, Friday evening, December 6, by Dr. Alonzo C. Tenney. His subject is: "A Practical Talk on Consumption; Its relation to the Growing Child and Adults."

**West Side Notes.**

Mrs. Christ Jensen visited the first and second grades this week.

John Strufe and Chester Bell had a double birthday party for the first graders, Friday afternoon. Mrs. Fred Strufe was present to enjoy the party with the little ones.

The second graders have some very good free-hand paper cuttings mounted. They illustrate the Mayflower, which the children have been studying in their history stories.

The first grade children have been doing some very good illustrated number work. They state their addition problems both in numbers and pictures.

The second grade has been learning to measure, using the inch and half inch. They planned and constructed some excellent Pilgrim cradles in a working out of their ability to measure.

Leslie Aye had a birthday party for the second grade this week.

The first grade made some four pocket baskets, and then packed in these baskets a list of the good things they wanted to eat Thanksgiving day. They took great interest in making up their list and if they had all on their lists, they will surely need to see the doctor.

There was a very good turnout at the programs, Wednesday afternoon. The first grade had thirty visitors and the second grade, twenty-four.

**High School.**

The girls basket ball team is putting in some hard work in preparation for a game with Wenona, Friday evening.

The regular six weeks examinations come next Thursday and Friday, December 5 and 6.

The ancient history class is working on a new bulletin board, illustrating the early history epochs. They are doing some very good work.

There was a very good turnout at the program given by the Bernice society, Wednesday afternoon. Nearly one-hundred fifty visitors were present. The Bernicians had the assembly room decorated with their colors and gave as favors programs and a carnation. The debate on Woman Suffrage was very close. Both sides handled their side exceptionally well. The dialogue, "How the Vote was Won," took up the humorous side of the question, and frightened the men, by showing them what might happen if the women really made a fight for suffrage. The instrumental duet by Helen Patterson and Dorothy Baker and the vocal solo by Edith Short were very well given and appreciated by all.

The training received in work of this kind is practical and real use to the pupils in life. We are glad to see the interest taken by the patrons and hope the next program will see a turnout as large as the last one.
