**SCHOOL NEWS**

The enrollment in the second room is 34. Ella Huber has left school having moved to Odell. The fifth grade is becoming quite skilled in the use of fractions. Several of the grade children are making posters for the cantata. The third grade has taken up the study of "Manenko" the little negro girl. The second grade has made some very good little stocking spelling books. Miss Marie McCabe of Pontiac visited the first and second rooms last Tuesday. The seventh grade has been making a study of the digestive system, the past week. The children in the second room are very busy on their Christmas presents and decorations. Edna Seabert and Clymenia Bartholic were absent Monday and Tuesday of this week. The reading class of the fifth room has been studying Alfred Tennyson's poem, "The Lady of Shalott." Christmas borders of holly, bells and Santas have been put up. Makes it look very much like Christmas. The third grade in the second room has been doing some very good work in their dramatic reading this week. Leona Young entered the sixth grade this week. She is a sister-in-law to Mr. West, the eighth grade teacher. The fourth grade are working on letter writing. They have the names of the fourth graders of Fairbury and are going to correspond with them. They will in this way write real letters, and take much more interest in the work. The following in the fourth grade made 100 per cent in spelling the past week. Susie Judge, Mary Lowe, Ruby Williams, Helen Duffy, Anna Nelson, Dorothy Weicker, Leonilda Sodini, Mabel Reeves, Elenora Swanson, Harold Scholte, Clarence West, Frank Dieter. The Operetta, "The Whole Year Round," by Marzo, will be given Friday evening, December 13, at the Opera House. The idea is that the world, discontented with the Seasons as they are, decides to select ONE of the four to rule on earth throughout the year, and so make every one contented and happy. The choice however, is a difficult one. Each Season is found best in its place. So the decree finally goes out that since no choice can be made, discontent, where it exists, is the fault not of the seasons, but of the world, and, therefore, not one season but four, must still rule on earth the "Whole Year Round."

**GIRLS**

We asked you in this space last week to watch our ad. to-day and we are glad to see that you are reading it. Now, remember, before we go into any further detail that we are writing this ad. for you and you only. We have nothing to say to the fellows in this space to-day. We have another ad. in this issue that will interest them. So, girls, we ask that you keep this information that we are going to give you strictly to your self. Now here is our idea and a good suggestion for you and we hope you will appreciate our energy in writing this article for your benefit by giving us a call. Of course you all know that X'mas is drawing near and this is why we are writing this article for you but we have not told you yet what we were going to do for you. —You all have a gentleman friend and we know just who he is so you can't argue with us on that subject. If we don't know, it will be an easy matter for us to find out. We know you are convinced about that, too. —Our suggestion to you is this: You might not know whether he smokes or not if you bought him one of our beautiful pipes for X'mas. We will tell you. Perhaps you wouldn't know what kind to buy. We would find out for you confidentially. He might like a box of our cigars better. Well, we know what kind he smokes. Girls, you certainly have a snap in buying a X'mas present for a fellow. Just come in and see us and we will tell you just what to buy him because we know. —If you have a fellow who doesn't smoke, come in anyway, we have recently added to our store a suggestion department. We can give you ideas galore if you will only come in. Don't let the fellows scare you out. We know that you all favor woman's suffrage to some extent, so come in and see us for your suggestions. All suggestions strictly confidential. ADAMS & ORR.
