Thomas Wright Dies

The body of Mr. Thomas Wright, a former resident of Dwight, was brought here Monday for burial. He was indentified with Dwight in the '60's coming here in 1865, and is remembered by many of the older residents. In 1868 he was united in marriage to Miss Sarah J. Hobbs, who taught in the Dwight public schools for two years. Mr. Wright clerked here in Mr. J. C. Hetzel's store from 1865 to 1872. In the 80's he and his wife moved to Bloomington, Illinois, where they lived until 1892 when they moved to Chicago, in which city he passed away Thursday morning, December 5, after an illness of not quite a week.

Mr. Wright for forty years was salesman for the S. A. Maxwell Co., of Chicago, and was one of their most valued employes and highly thought of by them. The Maxwell company took charge of the funeral arrangements in Chicago.

The body was brought to Dwight Monday at 1:00 o'clock p. m., and was taken immediately to Oak Lawn cemetery and placed in the Leslie E. Keeley mausoleum where it will rest until interment takes place later.

The club is made up of family membership with the center of effort in the individual home, and the features and activities are many and varied, arranged to meet the individual needs of the parents and children.

This organization strikes directly at the root of civic and race improvement and is endorsed by every person vitally interested in the advancement of humanity through home uplift and better citizenship.

He is obliged to take this means to notify the public as there have been persons at different times calling at residences and claiming to represent him.—Adv. 49-2w.

High Cost of Living in Madrid.

Living is costly in Madrid. Even a modest "apartment" costs $750 a year. Servants, however, cost much less than in the United States.

We wish to call your attention to the fact that most infectious diseases such as whooping cough, diptheria and scarlet fever are contracted when the child has a cold. Chamberlain's Cough Remedy will quickly cure a cold and greatly lessen the danger of contracting these diseases. This remedy is famous for its cures of colds. It contains no opium or other narcotic and may be given to a child with implicit confidence. Sold by all dealers.—Adv.
