KISSEL KAR

"Every Inch a Car"

Compare the Kessel Kar with any car at any price. It has no equal for comfort and elegance—it is unsurpassed for ability.

The Kessel Kar is one of the few really upper-class automobiles—and looks its part.

The extra long wheelbase shows off the clean cut lines. The unusually roomy tonneau give character and distinction—in numberless refinements of design and finish the Kessel Kar is immeasurably superior.

The liberal wheelbase, the big wheels, big tires, and shock absorbers, the commodious tonneau, the exceptionally deep seats and 11 inches of upholstery give a riding comfort which surpasses every previous idea of automobile ease.
