ROUND OAK FURNACES

The advantages to be gained by securing a first-class warm-air furnace are so many and so obvious that every intending purchaser should willingly lend his ear and his understanding to the arguments for the furnace of high quality. Money is positively and continuously saved by investment in a genuinely good furnace like the Round Oak. If you are in need of a furnace be sure to stop in and let us show you the Round Oak.

LARS LARSON & SON

Ford
THE UNIVERSAL CAR

He lives for the grown-ups—old Saint Nick—when his gift is a Ford. Why not concentrate the Christmas buying and get the entire family the one present they'll all enjoy most? An order for a Ford today will insure an early delivery.

Every third car is a Ford. Nearly 180,000 have been sold and delivered. New Prices —runabout $525—touring car $600—delivery car $625—town car $800—with all equipment, f. o. b. Detroit. Get particulars from Ford Motor Company, Michigan and Fourteenth Streets—or from Detroit factory.

JUST A LITTLE CONUNDRUM

Why are burglars like our lumber?
Because they always go into the best of homes!

People have learned that there is a lot of difference in the quality of lumber, and as we make quality our "long suit," particular buyers take no chances, but buy what they need from us. Our stock is complete, and our prices as low as you can get.

Estimates cheerfully figured.
