

You Know Us

We are in business right here where you live. You are an acquaintance, neighbor or a friend of ours. This money-back-if-not-satisfied offer should prove the sincerity of our claims.

When we say we believe we have the best laxative and back up our statement with our unqualified promise to return without question or formality the money paid us for it, if it does not prove entirely satisfactory to you, we believe we are entitled to your confidence.

Our business success and prestige depend upon your confidence in us. We know we must secure and hold your confidence in order to get and keep your patronage. Therefore, we would not dare make this offer if we were not positively certain that we can prove our claims for

Rexall Orderlies

Our experience with them and the many reports we have received from those who have used them prove that they are really the most pleasing and satisfactory bowel remedy we know of.

Rexall Orderlies taste like candy. They are soothing and easy in action. They don't cause griping, nausea, purging or excessive looseness, as do the usual physic or laxative. Rexall Orderlies seem to act as a tonic-strengthening upon the nerves and muscles of the bowels. They prompt-

ly relieve constipation. They act to overcome the cause of constipation. They tend to eliminate the cause of sick headache, biliousness, bad breath, nervousness and other ills attendant upon inactive bowels.

Make Us Prove This

We want you to come to our store and get a package of Rexall Orderlies. Use a few or use up the entire box. Then, if you are not entirely satisfied, come back and tell us and we will promptly return the money you paid us for them.

You promise nothing—you sign nothing—you obligate yourself to us in no way whatever. We accept your mere word.

Don't you now believe that Rexall Orderlies are worthy of a trial? Could any offer be more fair?

Try Them at Our Risk

We particularly recommend Rexall Orderlies for children, aged persons and for delicate people.

Rexall Orderlies come in vial and box. 12 tablets, 10¢; 36 tablets, 25¢; 80 tablets, 50¢. Usual dose one tablet.

CAUTION: Please bear in mind that Rexall Orderlies are not sold by all druggists. You can buy Rexall Orderlies only at The Rexall Stores. You can buy Rexall Orderlies in this community only at our store:

SCHOOL PUPILS SELLING TICKETS.

Two Prize Pictures Are in C. M. Baker & Son's Window.

Much enthusiasm has been aroused among the children in the schools over the coming exhibition of pictures, to take place at the high school, March 12-13-14-15.

The prize pictures are in the windows of C. M. Baker & Son's furniture store.

Of the lower four grades, the grade selling the most tickets, will have the picture entitled "The Knitting Lesson" for their room, and of the upper grades, the grade selling the most tickets will have the picture entitled "The Song of The Lark" for their room. Until after school hours on Monday evening, March 10, the pupils will be the only persons selling tickets. After school hours on that day tickets will be placed in the hands of others.

If the people of the city buy tickets freely, sufficient funds ought to be raised to enable a number of good pictures to be bought for the schools.

A most attractive illustrated catalog will be obtainable at a small price. It gives the titles of the pictures, classified according to schools and countries, describing some of the pictures and including biographical notes of the artists, and a great many of the pictures are reproduced in small cuts.

March 12, the grades will furnish a program. March 13, there will be a concert. March 14, the high school will furnish the program. March 15, there will be a general program.

The admission is 20 cents, and 10 cents for grade children. There will also be season tickets on sale, price 50 cents for the four nights.

Be sure and see the prize pictures in Baker's window.

125 Patterns in Brass Beds Are There Awaiting Your Inspection

HAVE YOU BEEN THINKING OF BUYING AN IRON BED? WOULD'NT YOU RATHER HAVE A BRASS BED FOR THE SAME MONEY?

Bring your money to Heenan's Furniture Department and get a brass bed for the same amount that you'd pay for an iron bed. Sounds unusual, doesn't it, but visit the Third Floor and see for yourself.

Everything has advanced in price but we did our buying at the right time and so can offer you good patterns in brass beds from \$8.50 up. A brass bed gives an air of elegance to any bed room and as long as you don't have to pay any more than for an iron one, why not have a handsome, long wearing finish like brass. The paint is liable to crack off of iron beds but the brass has to wear off and present day methods in brass finish makes it good for many years' wear.

BORROWING AND LOANING MONEY

is one of the chief factors in business, a great benefit to all concerned. If this were not so most banks would go out of business. So would building and loan associations, and the monthly payment real estate concerns. Healthy indebtedness is a great incentive to hard work.
