**Infant Child Passes Away.**  
Little Robert James Horton, son of Robert and Josie Horton, was born the 3rd day of May and died on the 14th of the same month. His little life though very short, brings sorrow to the hearts of the family, as it did joy on the day of his birth, but we can only say:

"There's a pair of little hands,  
Laid to rest forevermore,  
Death has sealed two little eyes,  
That may no more smile or weep,  
Tiny windows of the soul,  
Little baby's gone to sleep."

Funeral services were held at the home Friday afternoon, May 16, Rev. Geo. H. McClung, officiating. Interment in Oak Lawn cemetery.

Russia is showing a marked preference for automobiles of American make.

### For the Weak and Nervous.

Tired-out, weak, nervous men and women would feel ambitious, energetic, full of life and always have a good appetite, if they would do the sensible thing for health—take Electric Bitters. Nothing better for the stomach, liver or kidneys. Thousands say they owe their lives to this wonderful home remedy. Mrs. O. Rhine-vault, of Vestal Center, N. Y., says: "I regard Electric Bitters as one of the greatest of gifts. I can never forget what it has done for me." Get a bottle yourself and see what a difference it will make in your health. Only 50c and \$1.00. Recommended by John A. O'Malley, Druggist.—Adv.

### Death of Anna B. Sweely.

Mrs. Anna B. Sweely died from a complication of diseases at her home at the corner of John and Otter Creek streets, Streator, Ill., at 7 o'clock Monday evening.

Mrs. Sweely was born November 28, 1835, in Germany. As Anna B. Ganzert she came to the United States in 1844, residing in New York. In 1856 she was married to George Sweely of Dwight. The husband died seventeen years ago.

Nine children was the result of the marriage, five of whom survive—Mesdames Luke Hall, William Coleman, George Stetson and Assar and Edward, all residing in Streator. Also four sisters, Mesdames Mary Wagner and Rebecca Blade, of Chicago; Mrs. Lida Williamson, Mendota, and Mrs. Lizzie Henne, of Dixon; and brothers, George, of Harmon; Henry, of Dwight. She is survived also by seventeen grandchildren and three great grandchildren.

The funeral services were held at 2 o'clock, Wednesday afternoon at the First Methodist Episcopal Church, interment Riverview cemetery.

Sheriff W. A. Patterson, of Pontiac, received a telephone message late Monday afternoon to the effect that burglars had endeavored to break into the safe in the bank of Charles Holoway at Wing, Sunday night. They had succeeded in getting the outside door of the safe open and had started to drill through the inner door. For some reason they were not able to do so, and then attempted to cut a hole through it with a chisel. They succeeded in getting away with \$11 in small change.

Special Officer Christy of the Alton was in Pontiac Tuesday, where he arrested two young men on suspicion of having thrown rocks through the windows of a passenger train at Lexington Tuesday morning. The two men were put off the blind baggage of the train there early Tuesday morning and proceeded to get even by throwing stones through the windows of the passenger coaches. The matter was reported to Mr. Christy, who went to Lexington and traced the men to Pontiac. The men are being held in the county jail as being the ones who committed the act.

J. G. Boyd, 86, of Sacramento, Cal., boasts of 780 descendants.

## NEIGHBORING NOTES

Owners of automobiles in the vicinity of Herscher have organized a club, the main object of which is to promote road dragging. Each contributed \$1 dues and the money will be expended in road improvement.

The heavy rain of Tuesday afternoon and evening caused considerable damage to the Alton's tracks in the deep cut between Cayuga and Odell. The water flowed through the cut to a depth of two feet over the tracks.

Charles McFall, who for a number of years clerked in the dry goods store of Bushway & Company at Chatsworth has enlisted in the U. S. cavalry and has been sent to Honolulu, where he expected to arrive this week.

The large force of workmen who have been engaged in rebuilding the electric light lines in Forrest for the past several weeks, finished their work Wednesday and moved on to Chatsworth to rebuild lines in that town.

The city authorities of Fairbury have ordered several metal boxes which will be placed on the corners of the main street for waste paper. The authorities ask all citizens to refrain from throwing paper on the sidewalks or on the street and to use the metal boxes.

Monday evening in the court of Justice William E. Baker, of Pontiac, James Murray, who was arrested last Thursday night charged with attempting to enter the residence of Elsworth Bruer, in Pontiac, was held to the grand jury on bonds of \$200, which he was unable to furnish, and went to jail.

Heavy rains in this section Tuesday have done untold damage to growing crops, and have put back the planting of corn. Fields had two to four inches of water standing on them, while all the small streams were out of bounds, spreading over the fields. The total rain fall for the month is 8.5 inches.

The barn on the farm where Thos. O'Brien lives, 4 1/2 miles north and 1/2 mile west of Emington burned down Monday evening about 5 o'clock, besides the barn a colt, some implements and a stack of straw were burned. It is thought the fire was started by the children playing with matches.

Cabery citizens petitioned their village board last week to put a stop to roudyism in the village and asked that the village marshal's hours be changed to 4 p. m. to 4 a. m. and that he wear a uniform and star and carry an officer's club. When he fails to maintain order he is to be fired. The board acceded to the demand and appointed George Cloos at \$50 a month.

A barn belonging to Jerome Smith, south of Blackstone, was struck by lightning about noon Tuesday and the structure was destroyed. The structure was about 40x50 feet. A large quantity of feed in the loft was destroyed. The building was valued at \$2,500. It was insured. The residence of William H. Shoup, in the vicinity of Park and Otter Creek streets, in Streator, also was struck by lightning.

The Pontiac city council on last Friday night had under discussion the need of building at the city cemetery a building to be used as a public waiting room and for protection to visitors to the cemetery in inclement weather, and also a portion for storing implements belonging to the city. The style of construction mentioned as most in favor was a plaster exterior with bungalow roof and latticed windows.

At the meeting of the Chatsworth high school association, held at the home of Miss Myrtle Linn, the following officers were elected for the ensuing year: Miss Myrtle Linn, president; Miss Emma Lahey, vice president; Miss Emma Glabe, secretary; Mrs. Charles Shafer, treasurer. The annual reception and banquet of the association will be held on the evening of Wednesday, June 11, the commencement exercises being the evening previous.

E. F. Barber was arrested last Saturday night by Policeman J. Murphy, of Pontiac, charged with carrying concealed weapons. When searched at the city hall he was carrying two revolvers. He was given a hearing Monday afternoon before Police Magistrate Patty, who fined him \$10 and costs for carrying concealed weapons. He was later arraigned before Justice W. E. Baker and was placed under a bond to keep the peace. The bond was suspended on Barber promising to leave the city and not return.

The Public Service Company has a force of expert workmen engaged in putting in a new gas making retort in its gas plant in Pontiac. The old retort, which had long ago served its usefulness, has been torn out and the new one is being erected in its place. This will afford two excellent retorts, one having been installed last summer. The large steam boiler which has been in use there for a number of years is also to be torn out and a new one installed. While this is being done a temporary steam boiler is being installed on the outside to furnish steam for the plant.

Base ball fans surely got their money worth last Sunday when the Streator Reds defeated the home boys 3 to 2 in a fast and exciting game. Eddie Higgins was on the mound for Streator and the rosters were undecided whether to root for the home team or for the opposing pitcher who won so many games for them while wearing a Frank L. Smith uniform. The day was an ideal one and the largest crowd of the season turned out to see the game and there was plenty doing from the time Empire Reeb announced the batteries until the last man was out in the ninth.

Nielson, the first man up for the Smiths, landed on one of Eddie's shoots for a nice three-bagger; Arthur Kern walked; Boyer hit to Jardine and forced Kern to 2nd, Nielson scoring; F. Flood was out, Jardine to Schroeder and Dawson got Lucas on a foul. The Reds scored one in the third on a three-bagger by Sanders and Schroeder's infield hit which got by Boyer. Art Kern made a nice play by getting the ball back of Boyer and retiring Schroeder at 1st unassisted. The home team scored another in the fourth when F. Flood hit and stole second; Lucas followed with a line drive good for two bases, but it hit Empire Reeb and he only got to 1st. Flood scored on Burn's infield out, Jardine to Schroeder; Lucas out, Schroeder to Dawson, trying to score from 2nd on the play. A small boy ran in front of him and prevented him from sliding in feet first and he would have scored. In the ninth Ryan hit a high pop fly back of 2nd base. It would have been an easy out for Mickelson who was playing center field, but Kern thought he had it and called for the ball but failed to touch it. Johnson struck out, Ryan going to 2nd on the play; Hall batting for St. Clair, rolled an easy one to J. Flood. The ball took a bad bounce and Hall was safe at 1st, Ryan taking 3rd on the play. Higgins came up and scored them both with his drive that went for three bags. Lucas retired the side unassisted when he bagged Sanders line drive and doubled Higgins at 3rd. In the last half of the ninth, with the count three balls and two strikes on Lucas, Eddie out-guessed him and slipped over a third strike. Burns singled to right center. Higgins threw Mickelson out at 1st base, Burns taking 2nd on the play. Lightner, our only left handed batter, came up and Higgins motioned his fielders to move over. Skip landed on the first ball pitched. It was a line drive and went straight into Johnson's mit and ended the game with Dwight on the short end of the score. Jim Flood pitched a nice game and really deserved a shut out.

Following is the score by Innings:  
1 2 3 4 5 6 7 8 9 R H E  
Smiths ..... 1 0 0 1 0 0 0 0 0-2 7 1  
Reds ..... 0 0 1 0 0 0 0 0 2-3 6 1

## DE LAVAL Cream Separators ARE EASIEST TO WASH

The construction of the De Laval bowl is such that it can be completely taken apart for washing. The discs, bowl parts and tinware have no tubes, crevices, holes or corrugated surfaces such as are found in other machines and which are very hard to clean. The De Laval discs are washed as a single piece and the whole machine can be thoroughly CLEANED IN FIVE MINUTES

There is no part of the De Laval bowl which cannot be easily reached and seen, so that the operator can always tell whether or not every part has been properly cleaned. The ease with which the De Laval can be thoroughly washed and kept in a sanitary condition is one reason why creamerians prefer De Laval to other separator cream, and is likewise one of the reasons why butter made from De Laval cream has scored highest at the National Dairy Show for over 20 years.
