The lodge has now a membership of one hundred and forty-six members, starting with about twenty charter members. Myron Tambling is the only resident charter member, but he has contributed to the society five sons who are members, four of whom belong to this lodge and the other to Cabery lodge. The lodge also has as members four brothers of the Houck family and the fifth belongs to the Emington lodge.

IT'S THE GOODS BEHIND THE "AD"

THAT MAKES SATISFACTION

It's the satisfied customers who come back again and again that make our business good.

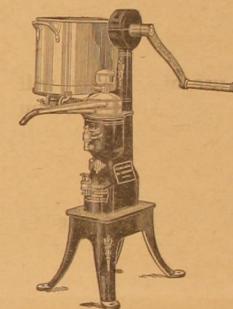

Every article we sell is guaranteed to give satisfaction or we "make good."

We hope to get your business and keep it by sheer force of dependable merchandise and fair progressive business methods.

"The Best of Everything That Men and Boys Wear"

GIVE YOURSELF THIS PRESENT

If someone offered to give you a new Bluebell separator you would jump at the chance. Make yourself a present of one. It will not really cost you anything, for this separator pays for itself by saving you time and work, and by actually increasing your dairy profits. Come in and see one of these machines set up. It is so simple you cannot help understanding it; so perfect you cannot help liking it. The skimming device on the Bluebell loses no butter fat in separation. The spiral cut gears, made of semi-steel, the phosphor bronze bushings at every wearing part, the trouble-proof, self-adjustable bowl spindle neck bearing, all insure long-lived, efficient machines. Come in and make a personal examination.

We have I H C Bluebell Cream Separators in these sizes:

- No. 1. 350 lbs. capacity per hour
- No. 2. 450 lbs. capacity per hour
- No. 3. 650 lbs. capacity per hour
- No. 4. 850 lbs. capacity per hour
