Permit Granted For Spencer Company

- ☛ The Secretary of State for the State of Illinois has issued a permit authorizing the undersigned commissioners to open books for the subscription of stock for the J. A. Spencer Manufacturing Company.
- ☛ The commissioners are now prepared to receive stock subscriptions at par value of \$100. Non-assessable.
- ☛ A prospectus is being prepared and all information will be given to prospective purchasers of stock in regard to the proposed plans for new buildings, management and manufactured products.
- ☛ No one stockholder will be permitted to control a majority interest, and therefore minority stockholders will be fully protected.
- ☛ In the event of over-subscription the stock subscribed will be pro-rated among the subscribers.
