Good Word for Cheese.

The popular idea that cheese is not easily digestible is a delusion. We may, therefore, pass the cheese without passing it up.

Party Given at the Home of Miss Cass.

Thursday evening about thirty-five guests gathered at the home of Miss E. Cass, on South Franklin street and spent an evening of pleasure and enjoyment.

The home was beautifully decorated with carnations and ferns with red and white strands of tissue paper strung abundantly about the rooms.

The early part of the evening was spent in performing a mock ceremony which caused much merriment among the happy gathering.

An auction sale was then held on packages brought by the guests and a spoonful of rice, which was to be used as money, was given to each one. The sale continued until each guest had purchased a package which when opened caused much fun and laughter. Various other games were played and instrumental and vocal music formed a part of the evening's pleasure.

Late in the evening a delicious luncheon was served after which the party disbanded, all declaring that the hostess certainly was a good entertainer.

Straight From the Shoulder.

"Well, now really, Miss Jeerwell, I should like to hear what you would consider the ideal man," said Elldad. "Define him for me, won't you?" "I couldn't," said Miss Jeerwell with a pleasant smile. "The terms are essentially contradictory."

Always Aggravating.

When a man loses because he failed to act in accordance with his convictions he feels doubly aggrieved if he cannot blame it on his wife.

Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free. P. J. CHENEY & CO., Toledo, O. Sold by Druggists, 75c. Take Hall's Family Pills for constipation.—Adv.

Going Through the Motions

Would you employ a man to go through the motions of chopping wood, cutting grass, making garden, shoveling coal or anything else? OF COURSE NOT.

BUT—

Do you employ men to go through the motions of building a home for you by supplying or permitting them to use inferior material.

Make every motion count by making the product of labor a permanent product, something that will freeze their efforts in permanent form.

Give your carpenters **ARKANSAS SOFT PINE**
