The Right Engine for Your Machine Shop
is a Rumely-Olds. It's "Johnny on the spot" whenever you want it. It will run your band-saws, lathes, grindstones, power drills, or any other machines "like clock-work". It is just the engine you ought to have for all your jobs—big or little. It will run your large machines as well as your smaller ones.

Let us show you a Rumely-Olds Engine. See how it runs. You can't help noticing its good points. If you can't call on us, study the next one you see carefully. Notice how steadily it runs and how easily it does the work. Or, drop us a card and we'll call on you or send you a catalog explaining them in detail.

*We're here to serve you;
give us the chance.*
