The New Edison Disc Phonograph

Plays 10 and 12 inch Records without any changing of needles.

The reproduction is by means of a diamond point. This point is permanent, does not wear, and makes the records everlasting.

The reproduction by this means is the most natural and realistic yet produced and is making the already popular Edison the favorite among all music loving people.

Come in and hear some new disc records on the new disc phonograph

PATRONS OF DWIGHT SCHOOLS.

Schools Open Tuesday—New Course of Studies in High School.

The Dwight schools open next Tuesday, Sept. 2. For the primaries, all who are six years of age, or will be six on or before the first of January next, may enter this fall.

The addition of Manual Training and Domestic Science will make the course much broader and more practical. The Seventh and Eighth grade pupils will have Manual Training (for the boys) and Domestic Science (for the girls) twice a week for a quarter of a day each time. In the High School the classes will come every day.

In the High School the course has been made much broader and we hope will fit the needs and desires of the patrons better than the previous course.

The following is approximately the course for the coming year:

FIRST YEAR.

Required: English, Algebra, Science. Elective: Latin, Domestic Science, Manual Training. Only one elective taken.

SECOND YEAR.

Required: English, Geometry, Ancient History. Elective: Latin, Domestic Science, Manual Training.

THIRD YEAR.

Required: English, Advanced Algebra ½ year. Elective: Chemistry or Biology, German, Latin, Solid Geometry ½ year.

FOURTH YEAR.

Required: English, Physics. Elective: Reviews, Economics, Latin, German, American History ½ year, Civics ½ year.

In the Third and Fourth year, the students may also elect any of the First and Second year subjects they have not taken. Each pupil is to elect enough to have four subjects throughout the year. Music and Drawing will also be given this year to the High School people. Latin is not required, but two years of either Latin or German are required for graduation.

The new law passed last June makes it possible for any Eighth grade graduate in the country near Dwight to attend Dwight High School, and the district in which the pupil lives will be compelled to pay the tuition.

Smiths Get Second Money.

At the baseball tournament at Gardner Thursday, where four teams from surrounding territory were playing for a purse of \$225, the Dwight team got second money, amounting to \$65.

In the drawing Dwight and Braceville played the first game and won by a score of 4 to 3.

The second game was between the Elks team of Joliet and the White Cross team, playing under the name of Morris. This game was won by the Elks team.

The third game was between the Braceville team and the White Cross team for third money and was won by Braceville, the purse amounting to \$35.

The fourth game was between the Elks team and the F. L. Smiths and resulted in a victory for the Elks. For the first four innings it was air tight ball, but after that the Elks found J. Flood and succeeded in running in five or six tallies before the game was called on account of darkness.

The Saunemin team come to Dwight for two games, Sunday and Monday. That they will be hard fought goes without saying as each team will be strengthened, and good games may be expected.

You need this paper and we need the money. Let's trade.

DEATH OF MR. GEO. KLUGHART.

Prominent Resident of Goodfarm Dies After Operation in Chicago.

George Klughart, beloved son of John and Katherine Klughart, was born in Goodfarm township, Grundy county, January 30, 1854, and departed this life in the triumph of Faith August 23, 1913, at the age of 59 years, 6 months and 24 days. George was the youngest of seven children. When he was but 5 years old, his father died, leaving the large family to be cared for by the grief-stricken widow.

The old home-stead was about three miles northeast of Dwight. When the mother and George were left alone they decided to make their home with Mrs. Mary Constantine, the mother being with her daughter to the time of her death in 1891, and George remaining there with his sister Mary till he passed away. He was with the Constantine family over thirty years. He always appreciated the home his sister gave him and he came back to it when his work called him away, as soon as he could. In many respects he was more than an uncle to Ed, Will, David and Emma Constantine. He often filled the place of a well-meaning father to them.

Our Brother united with the Evangelical Church thirty years ago. His was a quiet life. He was of a retiring disposition of an unassuming character, nevertheless genuine in his principles, sincere in his purposes, honest in his business transactions, industrious working at his trade or on the farm. When he was following his trade, there was no want of work for him. Everybody was willing to have George Klughart to do their papering or painting. They knew he would do honest work—he always tried his best to do a good job. As a member of our church, he has left a good record. He was faithful. For years he served as Secretary of our Illinois Conference Missionary Auxiliary. In that office he was always prompt and practical.

Brother Klughart had been in poor health for about two years. It was in recent months very noticeable that his health was falling and that something was gnawing at the roots of life. He was advised to consult a specialist and acting upon this, it was discovered that an operation was his only chance to remove the cause of his illness. Though our Brother well realized that the operation was a critical one, he decided to make this last fight for his life. Successful as the operation was, the shock was too much for the frail form and our Brother suddenly collapsed, leaving a precious testimony of his faith in Jesus—as he neared the verge, which we all must cross—inpassing from time to eternity.

He leaves to mourn his death two brothers, Christopher Klughart and John Klughart; three sisters, Katherine Kepplinger, Mary Constantine, Emma Klein. His sister, Julia Burk, preceded him to the glory-land seven years ago. There remain also to mourn his death, thirteen nephews and seven nieces, other relatives and a large circle of friends.

He seemed to know that the days of earth were drawing to a close, and his chances for recovery dubious, but faith was firm and hope was bright, that the path that winds through sorrow leads to a bright tomorrow.

"Go to thy grave, Brother, Now take thy rest.

Be thy 'patient' spirit present with the Lord,

Where thou for faith and hope hast perfect love

And open vision for the written word."

The funeral was held Monday afternoon, August 25, from the Goodfarm Church, Rev. H. F. Ebert officiating, there being an especial large number of friends present. The burial took place in Goodfarm cemetery.

Death of Infant Child.

The little baby girl born to Mr. and Mrs. Peter Beier Monday, Aug. 25, died Wednesday, Aug. 27. Short funeral services were held Wednesday, Rev. Aaberg, pastor of the Danish Lutheran Church, officiating.

Card of Thanks.

We desire to extend our sincere thanks to our friends and neighbors for their assistance and sympathy at the time of the death of our little child. MR. AND MRS. PETER BEIER.
