

LIVINGSTON COUNTY

FROM PONTIAC

AGED RESIDENT DIES—DISTRICT SCHOOL BOARDS TO BEAR EXPENSE OF COUNTRY PUPILS' HIGH SCHOOL TUITION—SUPT. RUSSELL RESIGNS OFFICE AT REFORMATORY JAN. 1.

I. A. Morrison will erect a brick garage on the site of the old Haines house.

The Catholic Ladies Aid Society are making great improvements in St. Mary's cemetery.

David W. Knight, a patient at the county hospital from Odell, dropped dead Thursday. He was 67 years old.

The highway commissioners here have levied a tax of \$25,000 for construction and maintenance of roads for 1914.

R. L. Hamilton, an aged resident of Pontiac, died here Monday at his home. The funeral was held Wednesday. He left his widow and two daughters, Mrs. A. M. Legg and Mrs. H. S. Allen, of this city.

The will of the late Mrs. Maria Pfeifer, a well known resident of the vicinity of Dwight, was admitted for probate in the county court. Mrs. Pfeifer leaves to her son, William Pfeifer, eighty acres of fine farm land in township 31 of Grundy county, providing he assumes a mortgage of \$8,000 on the same. The remainder of her estate is divided, share and share alike, between her children, Mary Gantzer, Frederick Pfeifer, Margaret Mickelson, Amelia Unz and William Pfeifer.—Pontiac Leader.

During the three quarters of a year just passed County Treasurer Lewis S. Henderson of Livingston county has received \$6,557.09 of inheritance tax from estates in course of probate, as follows: Jacob Rehm estate, \$1,617.96; Harry E. Dart estate, \$608.30; H. B. Gansul estate, \$356.01; Peter D. Peterson estate, \$122.62; Edward W. Mahoney estate, \$53.20; Thomas E. Berry estate, \$635.58; Elizabeth L. Webster estate, \$460.33; Herman Carstens estate, \$2,244.19; Henreka Carstens estate, \$100; Sarah E. Robinson estate, \$124; James Brown estate, \$191.21.

La Rose Alberta Hasbargen and Mr. Albert G. Walters were married Tuesday at the Phoenix hotel in Pontiac. Rev. W. H. Koepf, pastor of the Chatsworth Lutheran Church, performed the ceremony. The attendants were Miss Emma Hasbargen, sister of the bride, and Donald DeMoss, of Wing. The bride's dress was white and embroidered net with white corsage of roses. The bridesmaid wore white brussels net. Immediately after the ceremony the bride and groom departed for a trip to Chicago, Lake Geneva and Wisconsin. After their return they will reside in Chatsworth.

The Livingston county board of review was busy all day Wednesday hearing the testimony of head officers of the Modern Woodmen of America as to why the reserve fund of that society should not be taxed in this county. The Woodmen were represented by Truman Plantz, general attorney for the society; Mr. McNamara, head clerk of the society; W. N. Phillips, actuary for the organization, and Head Banker D. S. Myers. The board of review was represented in legal form by Bert W. Adsit, county attorney, and all of the members of the board were in their seats during the day and took an active part in the investigation. Mrs. Cora Capes Daugherty acted as official stenographer. The board has taken the matter under advisement and its decision is not expected for several days yet.

James Kerrins, of Chatsworth, the newly appointed superintendent of the state reformatory, will not take possession of the office until Jan. 1, 1914. When the board met in this city Tuesday Kerrins asked that it confirm his appointment by Governor Dunne in order that he might assume the duties of the office at once. The board recalled the fact that during the Yates administration the superintendent of the reformatory had enjoined the board from removing him until his term had expired. In view of the fact that Superintendent R. A. Russell's resignation was tendered to take effect January 1, 1914, the board informed Mr. Kerrins that he would have to wait until that date before he could assume the duties of the position, as Russell would remain until that time unless charges were preferred against him, and they had no cause for making any charges. It is understood there is opposition to the confirmation of the appointment of Kerrins, but it is thought the board will confirm the action of the governor. Superintendent Russell, it is said, at first refused to resign, but later reconsidered the matter and sent in his resignation.

District school boards in charge of country schools throughout the state of Illinois must bear the expense of high school tuition for all students who, having completed the work in the district schools, enroll in the nearest high school. A notice warning the district boards has been sent out from the office of F. G. Blair, state superintendent of schools. The provision for the payment of the country

pupils' high school tuition is part of a recent enactment of the state legislature. Members of the district boards must keep this in mind in planning the budget of finances for their districts. The payment of tuitions only applies in the cases of students who have passed through all the grades of the schools in their districts. The new plan will remove a financial stumbling block that probably has kept many from attending the high school, and the enrollment of country students in the last two years of high school should be increased. State Superintendent Blair says: "The act to provide free high school privileges for graduates of the eighth grades became operative July 1, 1913. The application of this act does not relate to districts that offer work in ninth and tenth grades until such work has been completed."

The annual meeting of the Illinois Supervisors, Commissioners and County Clerks' Association will be held at Morris October 28 and 29. County Clerk W. W. Kenny, of Pontiac, is secretary of this organization and has sent out the following program of the meeting: Tuesday, October 28, after registration, there will be a trolley ride to Starved Rock state park. At the park Hon. James Mack, chairman of the county board of Grundy county, will introduce the Hon. Oscar Heinrich, president of the association, who will preside. The address of welcome will be made by Mayor W. E. Walsh, of Morris, and the response by President Heinrich. In the evening will be a smoker at the Lincoln Club rooms in Morris. Wednesday, routine business and addresses by W. W. Kenny, who will report the doings of the committee on legislation; Hon. C. W. Byers, clerk of Sangamon county, upon "New Legislation Affecting Supervisors, Commissioners and County Clerks"; Hon. Charles F. Hanson will speak on "Grundy County." In the afternoon Hon. P. H. O'Donnell, of Chicago, will speak, as will Mayor Harvey E. Wood, of Joliet, who will discuss "The Workings of the New Good Roads Law," and Senator John Dailey, of Peoria, will talk on "Public Utilities." The annual banquet will be at 6 p. m. and an entertainment at the opera house at 8 p. m.

Kickapoo Worm Killer, a pleasant candy lozenge, expels the worms, regulates the bowels, restores your children to health and happiness. Mrs. J. A. Brisbin, of Elgin, Ill., says: "I have used Kickapoo Worm Killer for years, and entirely rid my children of worms. I would not be without it." Guaranteed. All druggists, or by mail. Price 25c. Wrote His "Leaders" at Home.

Alfred Austin, while British poet laureate, was lucky in his work as a journalist. For many years he did his daily task at home with the assistance of a telegraph wire run into his study sixty miles from the London Standard office. His instructions came over the wire and his editorial article went to town by train. Sometimes he would telegraph the whole article.

Not What He Was Looking For.

"I never robbed a man but once," said the honest tramp, "and then I was starving. He would not give me a penny, and I couldn't stand the gnawings in my stomach any longer. So I knocked him down and went through his pockets. What kind of a haul did I make? Just one little bottle, which read on the label: 'Pepsin—for that full feeling after eating.'"
