## WIN THREE STRAIGHT.

Home Team Defeat Lyons' Undertakers at Odell and Saunemin Stars Twice.

Last Friday the F. L. Smiths journeyed to Odell to play a game of ball with the Lyons' Undertakers of that place. After ten innings the Smiths succeeded in winning in spite of seven very poor decisions by Johnson, the Odell umpire. Mickelson was on the mound for the Smiths and was not in the best of shape for the first four innings. The last six innings he was in his old time form and allowed but three hits.

The Smiths failed to score in the first inning. With two down and a man on second, Gutel beat out an infield hit to Hare, who fielded the ball to Jobst. Jobst dropped the ball but the umpire said he didn't see it and called Gutel out, retiring the side. The Odell boys scored two runs in their half on a base on balls, an error, and two singles.

The Smiths scored one in their half of the second on a base on balls, an infield out and Paderni's single. Jobst, the first man up in Odell's half of the second, hit a wild pitch down the right field foul line for a home run.

The Smiths failed to score in their half of the third. The Odell boys added three more runs to their score on three hits and a base on balls.

The Dwight boys got busy in the fourth and scored three runs on a single by Higgins, a base on balls to Hardy and a home run by Paderni. In the last half of the fourth Odell scored one run on a single by Jody Knight and some erratic throwing by the Dwight boys.

The Smiths added two runs in the fifth on a single by Boyer and a home run by Higgins, two more in the eighth on a single by Nielson and Bassett's home run. The umpire tied the score in the eighth by giving two very rank decisions at second base on the same man (Knight), Fonger's two base hit scoring him from second.

The Smiths scored the winning run in the tenth. Donahue threw Nielson out at first, Bassett singled, Boyer out on fly to center field, Gutel hit by pitched ball. Higgins singled, scoring Bassett. Hardy out on fly to right field.

Following is the score by innings:

## F. L. Smiths, 6-Saunemin, 0.

Sunday, August 31, the Saunemin Stars reinforced by several Illinois-Missouri League players came to Dwight after a week's campaigning in neighboring towns, with five victories to their credit and not one defeat, although they met some of the strongest teams in this section of the state.

The Stars were retired in order in the first inning. With two down Knight singled but was out stealing, Flood to Paderni. Higgins, the first man up, struck out. Paderni out on fly. Boyer singled. Gutel hit for two bases, scoring Boyer. F. Flood out on fly to Sennett.

The Smiths scored three more runs in the fourth. Gutel opened the inning with a two base hit. F. Flood popped one up to Knight. Hardy out on fly to Donahue. Nielson safe on error by Richards. Burns hit for two bases, scoring Gutel and Nielson. J. Flood singled to right, scoring Burns. Higgins out on high one to Knight.

The last runs were made in the eighth. Gutel struck out and went to first on passed ball. F. Flood walked. Hardy struck out. Nielson also struck out. Burns singled to right, his fourth hit of the game, Gutel and Flood scoring. J. Flood forced Burns at second.

In the ninth Hamilton and Donahue singled, Sennett struck out. J. Lannon out on fly to Gutel. Cady hit to Boyer for the third out and the game was over.

Following is the score of the game:

The Chicago & Alton Railroad Company will sell week-end excursion tickets, Dwight to Chicago and return, going any train Saturday or Sunday except Alton Limited; good returning up to and including 10 a. m. Monday. Not good on Red Hummer. F. D. Scoville, agent.—Adv.

## F. L. Smiths, 7-Saunemin, 1.

Monday, the Saunemin Stars came to town determined to get revenge for the Sunday defeat and to even up the season's series.

Neither team scored in the first inning.

In the second Red Kelly, the first man up, singled through second, the ball taking a bad bounce got by Nielson for a three base hit. Donahue out on fly to Gutel, Kelly staying on third. Richards hit one to right center, Kelly scoring after the catch. Sennett safe on error. J. Lannon forced Sennett at second.

Neither side scored until the fifth. Boyer popped one to Knight. Gutel hit down left field foul line for two bases. Frank Flood hit over the center fielder's head for three bases, scoring Gutel. In sliding into third Flood broke his ankle. Paderni ran for Flood and scored on Hardy's infield hit, Hardy also safe at first. Nielson singled and Hardy went to third. Burns out on fly to Cady. Mickelson out on fly to S. Lannon.

The home guard got busy in their half of the sixth and scored four runs. Higgins was hit by pitched ball. Paderni safe when Shapland dropped the ball. Boyer out on foul fly to Shapland. Gutel hit for two bases, scoring Higgins and Paderni. Sennett dropped an easy fly from I. Boyer's bat. Hardy singled, scoring I. Boyer. Nielson safe on Kelly's error. Burns and Mickelson struck out, ending the inning.

The Saunemin boys were unable to score after the second inning and the Smiths won out by a score of 7 to 1, winning three out of the four games played with Saunemin this season.

The only thing to mar the pleasure of the whole season was the injury to Frank Flood, the popular captain and catcher of the team. He was taken to St. Mary's Hospital Tuesday and at the present writing is resting easy and will soon be able to come back but will play no more ball this season.

Both the Dwight pitchers did excellent work in the series with Saunemin and with the excellent support given them by their team-mates were never in danger.

Elwood Boyer donned the mask and mit after Flood was injured and demonstrated that he was still capable of doing excellent work back of the bat.

The next game at West Side Park will be Sunday, Sept. 14.

Two base hits—Gutel (2). Three base hit, Kelly. Struck out—By Mickelson, 5; by Donahue, 5.

Eddie Farrell, who has been employed at Carl Toek's lumber yard for the past few months, has resigned his position and is at present working at the Spencer Hay Press Works.

## Selenium.

Little as selenium is known outside the scientific world it is not a rare element. Rather it is widely distributed. It is a permanent ingredient of sulphur, and as such was known to the alchemists of ancient times, although they did not observe its character as an element. From the chemical standpoint it is classed as a metalloid.—Harper's Weekly.

\$1.00 to Chicago and return via Chicago & Alton each Sunday, going on No. 26 at 7:45 a. m. Return on trains No. 77 and 5, leaving Chicago 6:15 p. m. and 9 p. m. F. D. Scoville, agent.—Adv.

## AROUND ABOUT

The cost of the Joliet union railroad station is \$304,988.07.

10,000 pupils were registered in the Springfield schools this week.

The Labor Day celebration in Streator was the best ever held there.

Mrs. Marie Lock, of Streator, died of cancer Monday, at the age of 70.

The Fairbury fair had a large attendance and was a first-class show.

Two houses were burned in Springfield, Monday, near the Burlington depot.

The Baptist Church of Decatur celebrated the seventh anniversary of their organization this week.

Seneca stockmen are alarmed on account of "black leg." Three cows have died, and it is said there is no cure for it.

Convicts are now on parole near Dixon building roads. If this scheme works out right it certainly will be a good one.

"Old Glory" was hoisted officially over Starved Rock today under the auspices of the Daughters of the Revolution and other patriotic societies.

Two buildings were destroyed by fire at Grand Ridge Tuesday. It started in the power plant of the Public Service Company, and spread rapidly to the A. M. Ellsworth hardware store.

David L. Gardner and daughter, of Aurora, were killed in an automobile accident Sunday near Elgin. Two other members of the family were badly injured. The automobiles have the flying machines beaten a mile.

William Bruner, of Ransom, was seriously injured Tuesday afternoon in an automobile accident. His skull was split open about four inches as a result of being thrown from his machine. His brother, Walter H., was with him at the time and was also thrown out of the machine. The two brothers were riding in their car going north on Bloomington street. On approach of the car to the C. & A. track, a switch engine pushing two cars ahead of it passed directly in front of the car. The gates were not down. Bruner was unable to stop his machine as he thought he had a clear right of way. His car crashed into the train. Both men were thrown out, William Bruner alighting on his head, on the ground. His brother was the first to recover from the shock of the impact and together with a few bystanders who were passing went to the assistance of William. The injured man was taken to the office of a doctor who dressed the injuries sustained. The car was literally smashed to pieces, the engine being the only part intact. A piece of iron of one of the towers which carries one of the gates, was torn out. One of the axles of the machine was knocked several yards from where the accident occurred. It was miraculous that both men were not instantly killed as the force at which the machine struck the train is said to have been terrific for the reason that the Bruners thought the track was clear and the machine was hastened on in order to cross it.

The Springfield Evening News tells a good story of a farmer boy who lives near Galena, Ill., came down to Knox college at Galesburg, took an eight-year classical course in that institution and graduated with honors.

In the same class with him was the daughter of a farmer who lived near Tonca, Ill. The two graduated and several years later were married, settling on a farm near Geneseo. About twelve years ago they sold out their belongings and started for Washington, settling in the Yakima Valley. Here Mr. Gilbert purchased land, instituted irrigation projects, planted thousands of apple trees, built storage houses, laid out towns, and in other large ways prepared to make himself useful to the community, and to promote his own welfare. The orchards matured, his land doubled and quadrupled in value, and his business interests multiplied. After about ten years of this activity, Gilbert was a rich man and at the head of a family of nine. For several years he had been shipping apples to all parts of the United States, but he was ambitious to secure a market abroad. Then he made the proposition to the agent of the Hamburg-American line, to exchange a carload of his apples for steamship passage for himself and family. The proposition was accepted and Gilbert and his family sailed from San Francisco last February and visited Honolulu, Japan, China, India, Germany, France and England. Mr. Gilbert placed his apples on exhibition in every city he visited. His missionary work for Yakima apples attracted the attention of the United States consuls, and the consuls' reports for the last four months from Bombay, Ceylon, Cairo, Hamburg and Glasgow have made reference to this exploitation trip of H. M. Gilbert, of North Yakima. Briefly, this is the story of a huge success made by an Illinois farmer boy who seized opportunities as they came to him and who has had the application and intelligence to develop them to their utmost.—The Peoria Star.

LEWIS' Single Binder Cigarettes has a mild, fragrant quality that smokers like. You pay 10c for cigars not so good.

The Pantagraph says: Congressman Louis FitzHenry arrived in the city on Sunday night for a brief stay at his home before returning to the hard grind in Washington. He expects to depart by the middle of the week for the national capital. The rush of business in congress is such that he feels that he cannot remain there any great length of time. Mr. FitzHenry said that he came home merely for a breathing spell and to renew acquaintance with his wife and baby girl, whom he has not seen since May. He had to confess that the baby would hardly recognize her daddy, but she will be convinced, beyond a cavil of doubt, before his visit is ended. Speaking of conditions in Washington, Mr. FitzHenry stated that the members have been put in a strenuous and torrid summer. They have been grinding away on the tariff and currency measures, and when they get thru with the work of the session it is hard to tell. The house will take up the currency bill this week, and there will be several weeks of debate on the questions involved in the new law. As to the Mexican situation, Mr. FitzHenry said that congress is doing little except to watch the progress of events, and to stand ready to back up the president in any action he may take which is considered reasonable. The weather in Washington in midsummer is something to scare even a fireman, but the members have stuck with the job. Of course they have their breathing spells and some little recreation mixed in with the work; nevertheless Washington is far from what might be called an ideal summer resort. The presence of Congressman FitzHenry in the city became noised about, and he was sought out by many of the faithful who are anxious about this or that prospective appointment, either for themselves or their friends. No announcement was forthcoming as to the postmastership in Bloomington or elsewhere. In fact, Mr. FitzHenry stated that his present trip was more in the nature of a social call with his family than anything else.

STATE OF ILLINOIS, ss. Livingston County, Circuit Court. George N. Flagler vs. John W. Flagler, et al. No. 4257. Bill to Construe Will. Public notice is hereby given that by virtue of a decretal order made and entered of record by said court in the above entitled cause on the 23rd day of August, A. D. 1913, the undersigned will at the hour of two o'clock P. M. on the 27th day of September, A. D. 1913, on West Main Street in front of the Postoffice Building in the Village of Dwight, Livingston County, Illinois, offer for sale and sell at public vendue to the highest and best bidder for cash the following described real estate situated in the Village of Dwight, County of Livingston and State of Illinois: Lot Six (6), Block Three (3), Newell's Addition to Dwight, Illinois. Lot Twelve (12), Block Eleven (11), Original Town of Dwight, Illinois. Lot Nineteen (19), Block Six (6), Original Town of Dwight, Illinois. Lots Twenty-nine (29) and Thirty (30), Block Six (6), Original Town of Dwight, Illinois. Also Lots Nine (9) and Ten (10), Block Seven (7), Original Town of Dwight, Illinois. The above described property will be sold subject to the general taxes for the year 1913 payable in the year 1914 and any unpaid paving assessments that are alien against the above described property. Terms of sale: One-third cash on the day of sale and the balance payable upon the confirmation of the sale by the court and order for deed.
