BUILDING BOOM.

Nearly Half a Hundred Buildings Contracted, Planned and Improved and Very Few to Rent.

That Dwight is prosperous there is no question. If there are any who think not, all that is necessary is to take a trip around our beautiful city. New homes are being built, some large and some small, but all of handsome design. Improvements are being made everywhere in the city. The lawns are fine, considering the dry season, and many of them dotted with beautiful flower beds, and from many comfortable porches hang attractive vines and flowers of different hues. The new paved streets all over the city add much to the attractiveness. The parks add still more to the beauty and pleasure. Just at present the leaves are falling and many of the trees have assumed a golden hue. Withal there are few more beautiful cities than our home—Dwight.

Among the many improvements during the year are the new paving, new bridges, the new brick block on South Franklin street at the end of East street, the new cement building erected by Mr. Keppling on North Franklin, the great improvements made in the Burke property on West street, the business building being erected by Orville Brown on East Mazon avenue.

Among the prospective buildings are the new garage by Brumbach, Boyer & Co., corner Franklin and Delaware streets; the new store by Frank Zappa on East Mazon avenue; and we understand that Ferguson & Naffziger are contemplating the erection of an immense garage on the Pearre property, South Prairie avenue.

Among the finest structures dedicated during the year is the handsome German Evangelical Church.

Some of the new houses finished and occupied, in course of construction, or prospective, are as follows:

John Stewart's new brick house on East Chippewa.

Roy Baker's place on East Chippewa.

T. J. Moloney's new brick house on East South, near Chicago street.

James Orr's new brick residence on Franklin, near Chippewa street.

John Finnegan has just moved into his new home on East Delaware.

S. P. Klitz' new brick home on East Delaware and Chicago streets.

Miss Josephine Moloney's new cottage on East Delaware.

Dr. F. M. Donganville will soon move into a new home on East North street, erected by Col. Frank L. Smith.

Edw. Hoffman's new home on East North.

W. D. Roeder's new concrete house on East Chippewa.

John Moeller has started a new home on East North street.

Louis Paulson is building a new house on West Chippewa.

Amos Metzke is remodeling his home on West James and Lincoln.

Andrew Neilsen erected two concrete cottages on West James and has ground broken for two more.

Edw. Steger bought a new home on West Delaware.

Mrs. L. Hoffman has just completed a new house on E. Waupansie.

John Dawson has a new cottage in process of construction on East Waupansie.

Mrs. Ida Brown's new home on North street.

Mrs. H. A. Fox is erecting two residences on East Delaware.

Thos. Chapple is just completing a new home on East Mazon.

George Chase's new home, corner of Delaware and St. Louis streets.

There are many others who have made improvements and contemplate building, and other new things, which we will mention later on.

Mrs. F. M. Davis Entertains.

The very nicest entertainment given for some time was that given Wednesday by Mrs. F. M. Davis and her daughter, Mrs. F. Hohenshell, at the Davis home on the north side. About twenty ladies indulged in needle work and visiting until 4:30 when the most delicious refreshments were served to which all did full justice. Miss Jessie Davis, who is home on a vacation, assisted with the entertaining. Mrs. Garrett furnished some excellent piano music. The ladies were unanimous in the opinion that they had spent a most enjoyable afternoon.

Notice.

Obituary.

Mary A. Ring, daughter of Wm. L. and Emmeline Ring, was born at Jackson, Jackson county, Ohio, January 9, 1856, and departed this life September 11, 1913, at her home in Dwight, Ill., in the fifty-eighth year of her life.

She was united in marriage to Wm. H. Giles, at Portsmouth, Ohio, February 28, 1884. They came to Illinois, settling at Lostant and lived in that vicinity until 1893 when they moved to Whiteside county, Illinois, living at Tampico and Prophetstown until the spring of 1903 when the family moved to Dwight which has since been their home.

To this union eight children were born, of whom three died in infancy. The surviving children are: Wm. L. of Chicago, and Mildred, Ruth, Harry and Arthur, all of Dwight. She is also survived by her husband and by one sister, Margaret Edwards, of Portsmouth, Ohio. She united with the Baptist Church in Lostant, Ill., in the summer of 1890, and was also a member of the R. N. A.

Mrs. Giles was a worthy woman. She was one of that noble band of wives and mothers who live and die for those they love and cherish. She was courageous during her long sickness, and her patience was only equalled by the tender care bestowed upon her by her loved ones. Surely it may be said of her as it was said of the virtuous woman of the Proverbs that her husband could safely trust in her, and her children will arise and call her blessed and her own works praise her in the gates. The hearts of all who know them go out to the stricken friends in this hour of great bereavement.

The funeral of Mrs. W. H. Giles was held at the Methodist Episcopal Church Sunday afternoon, September 14, at 2 o'clock and the burial took place in Oak Lawn cemetery. The church was filled with the members of the family and the societies to which deceased belonged, and many other friends and neighbors.

Card of Thanks.

We wish to extend to our many friends our sincere thanks for the kindness shown us during our recent bereavement.

The Central Illinois Conference.

It will be of interest to many of the people of Dwight to know that the Central Illinois Conference of the M. E. Church is in session at Galesburg, Ill., this week, with Bishop Wm. F. McDowell presiding. It has a Church membership of 45,000 and Sunday School membership of 39,000, and has 354 churches manned by 250 preachers. The morning sessions of the Conference are devoted to the transaction of business, and afternoons and evenings to the anniversaries of the various benevolent boards of the Church. The Laymen's Association will meet on Friday. The Central Illinois is one of the smaller of the Illinois Conferences, but one of the best. The appointments for the coming year will appear in the leading Chicago dailies probably Tuesday morning.

A Former Dwight Pastor Goes South.

The many friends of Rev. and Mrs. W. J. Drew will be interested to learn of their proposed removal in the very near future to Daytona, Florida, where Rev. Drew has accepted a call as pastor of the Congregational Church. Daytona is one of the most beautiful of the enterprising cities of the Florida East Coast, and this church which is one of the strongest in the city, is to be congratulated on securing so able a minister.

During the nine years of Rev. Drew's pastorate in Dwight, he and his wife won the sincere affection of the people, not only of his own church, but of the entire community, and the very best wishes of their friends will follow them to their new home.

A Guessing Contest.

Don't forget to visit the Studio and make a guess, also remember there is a photographer in your town.—Adv.

There are two familiar types of men in everyone's acquaintance; the one who makes plenty but never has any money, and the other who earns moderately but who always has money.

One spends money, the other saves it. One lives ahead of pay-day, the other lives with pay-day ahead of him.

Saving money, even in small amounts, is bound to lead to financial independence, safe-guarding your own future and providing for those dependent upon you.
