**RESOLUTIONS**

Resolutions of sympathy and respect adopted by Dwight Camp 575, Royal Neighbors of America, as a tribute to the memory of Mary Giles, who departed from this life Sept. 11, 1913.

Whereas, The angel of death has entered our camp for the first time, and taken from our midst our beloved neighbor, Mary Giles, therefore be it

Resolved, That we, the members of the entire camp, do deeply mourn her untimely death, and extend to her family our most sincere sympathy, and while they mourn the loss of an affectionate wife and loving mother, we mourn the loss of a dear friend and worthy neighbor.

Resolved, That as a tribute of respect the charter of this camp be draped in mourning for a period of thirty days; that a copy of these resolutions be sent to the bereaved family, and one copy be spread on the records of our camp as a lasting tribute to her memory.

MARGARET E. HORNBERGER,  
MINNIE MEIER,  
MAGGIE BLOCK.

Committee.

You will never know the meaning of real engine economy and efficiency until you study the quiet, smooth, easy running features of

**Lauson Frost King Gasoline and Oil Engines**

There are more drop forged and case hardened parts on Lauson Frost King engines than any other. This means an engine as accurate in adjustment, and therefore as economical, after five years' use, as when new. The Lauson Frost King is built up to a standard, not down to a price. They cost a little more than some others to start with, but a great deal less in the long run. The Frost King trade-mark on an engine is a warranty of long, satisfactory service.

**Guaranteed**—The manufacturers absolutely guarantee Lauson Frost King engines to make good on every claim they make for them; also as to workmanship and material. And our guarantee stands back of them, too. The "Frost King" is so dependable we have no hesitation in recommending it to everyone.

Come in and see the "Frost King"—learn why so many up-to-date farmers think it's the best engine on earth. Ask about Lauson Service to users, too. We can supply you with any style or size "Frost King" from 2 to 50 H. P.
