

LIVINGSTON COUNTY

FROM PONTIAC

HORSE STOLEN AT ODELL—PONTIAC HIGH SCHOOL RECORD AT THE STATE FAIR—DR. MARSHALL'S TRIAL—SHERIFF PATTERSON GOES TO INDIANA.

Dr. and Mrs. Daly have returned from Canada. Sheriff Patterson went to Laporte, Ind., on business.

Fairbury has been on the map this week and greatly excited. Beckwith, Alexander and Brennan, of the Philadelphia national base ball club, have been visiting there.

The case against Dr. Marshall will come up Monday at the reformatory, before the civil service commission. The \$25,000 damage suit against Attorney General P. J. Lucey, Florence Sullivan and James Quinn, was continued. One thing the suit has already accomplished and that is there is not so much wholesale defamation of character to get jobs as there was.

Sheriff William A. Patterson was notified of the theft of a horse and buggy belonging to John Nolan, at Odell, Sunday. The rig was left tied to a hitchrack in Odell by Mr. Nolan and when he went after it about 9:30 o'clock it was gone. The halter had been unbuckled from the horse's head and the horse and buggy driven away. The horse was a bay, weighing about 1100 pounds, and having no particular marks for identification. The buggy had red running gears and a black top. Deputy Sheriff Ives was in Odell looking for clues.

Deafness Cannot Be Cured by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.
