## BARTHOLOMIC-CLOVER.

Pretty Home Wedding Solemnized Tuesday Evening at Bride's Home.

A wedding of much interest to the young people of Dwight was performed Tuesday evening at 5 o'clock when Miss Zella Leta Bartholmic, oldest daughter of Mr. and Mrs. A. M. Bartholmic, was united in marriage to Mr. Clarence Edward Clover, pastor of the Congregational Church, of this city, performing the ceremony.

The bride wore a beautiful gown of white crepe de chine trimmed with brocade charmeuse and fur, and carried a shower bouquet of bride's roses and lilies of the valley. She was attended by her cousin, Miss Blanche Austin, of Lincoln, Neb., who wore pink brocade charmeuse and carried pink roses.

The groom was attended by his cousin, Mr. Lyle Shelley, of Pontiac.

At five o'clock the bridal party entered the parlors to the music of the wedding march from "Lohengrin," played by Miss Edith Bartholmic, another cousin of the bride's, and the short impressive service was read.

The ceremony was witnessed by only a few relatives and friends.

After the ceremony a four-course dinner was served.

Both young people are well known, popular young people, the groom formerly living here. Their friends wish for them many long, happy years together.

After a short trip the young couple will reside at Bloomington, where Mr. Clover is practicing law.

## GOLF GROUND.

It is not generally known that there has been partially established a golf club in Dwight. Dwight is the most up-to-date small city in the country and nothing which is popular for cities of a dozen times her size, is none to good for Dwightites. A long time ago C. J. Ahern and John Doherty made trips to a pasture on the Vickery farm near the tile works and in a very crude manner tried themselves out at golf. It worked so well and their appetites were so good, they took a few friends into their confidence. Since then about twenty have been inoculated with golf serum and it took.

Now it is proposed to rent the pasture and form a regular club and prepare the ground in the up-to-date modernized golf way.

The location is about two miles from town. This is certainly a splendid opportunity for men who do inside work and only get sufficient exercise for the brain, but not the bodies.

While the editor knows about as much about golf as he does about the north pole, he's willing to join any old fat man's team and try any thing once. Come on with your golf sticks, handicaps and other necessary articles.

## Public School Benefit.

Arrangements have been effected with C. M. Baker & Son by which the schools are going to be greatly benefited. We are in need of several pieces of furniture and many supplies and the above mentioned firm have agreed to allow a ballot box which we are having made in our Manual Training Department, placed in a conspicuous place in the front of their store where your cash register receipts or checks may be deposited. The schools are to receive in trade 5 per cent of the face value of the total sum of all checks deposited between now and Jan. 1, 1914. This will be a great help in cutting the expense of installing and operating our various departments, and we urge your hearty co-operation to make it as big a help as possible.

Drop your receipts received at time of making cash purchases in this box or send them direct to me—ours for the betterment of the Dwight, Public Schools, C. A. Brothers, Supt.

## Death of Mrs. Harriet Crandall.

Mrs. Harriet Crandall, for many years an aged and respected resident of Dwight, passed away Thursday evening about 10 o'clock at her late home, corner of Sembole and Clinton streets.

Her death resulted from a paralytic stroke which she suffered about two weeks ago. At first she rallied and it was thought she might recover, but a change for the worse occurred and she passed away Thursday night.

The funeral services will be held Sunday afternoon at the Congregational Church at 2 o'clock. The casket will be opened at the house only.
