Croup and Cough Remedy. Croup is a terrible disease, it attacks children so suddenly they are very apt to choke unless given the proper remedy at once. There is nothing better in the world than Dr. King's New Discovery. Lewis Chamberlain, of Manchester, Ohio, writes about his children: "Sometimes in severe attacks we were afraid they would die, but since we proved what a certain remedy Dr. King's New Discovery is, we have no fear. We rely on it for croup, coughs and colds." So can you. 50c and \$1.00. A bottle should be in every home. At John A. O'Malley, druggist.—Adv.

Deafness Cannot Be Cured by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces. We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free. F. J. CHENEY & CO., Toledo, O. Sold by Druggists, 75c. Take Hall's Family Pills for constipation.—Adv.
