Home Coming Week.

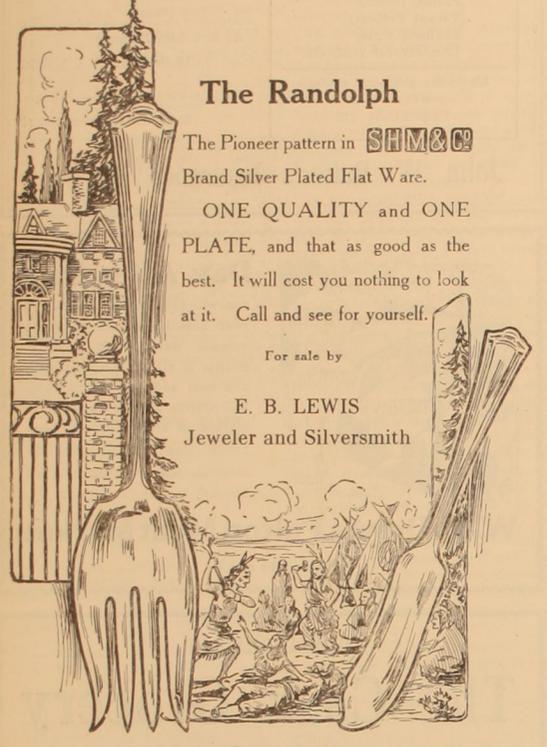

There are many cities all over the country who carry out successfully every few years a "Home Coming Week." The object is to renew old acquaintances and have a reunion of old friends and relatives. It is certainly a laudable and interesting event.

It has been proposed to have a "Home Coming Week" in Dwight sometime convenient during 1914 and will undoubtedly be carried out.

Every person who has ever resided in Dwight whose name it is possible to get will not only be invited to return to their old home, and when it is understood thoroughly hundreds of them will accept the invitation. The relatives and home people entertain the visitors and the people generally provide entertainment and furnish convenient meeting places, etc., and it all generally winds up with a banquet and ball.

Already the STAR AND HERALD has succeeded in getting the names and addresses of a large number of former residents, and we are sending sample copies of this paper to them so they may keep posted in regard to "Home Coming Week" and other doings in Dwight.
