DEATH OF MR. JOHN KLEIN.

One of Dwight's Respected Citizens Passes Away After Brief Illness.

John Klein, the subject of this brief sketch, was born in Wurtemberg, Germany, Jan. 22, 1846, and departed this life in the hope of a blessed immortality March 10, 1914 at the age of sixty-eight years, one month and sixteen days.

In 1866 he came to America, locating for a short time at Connersville, Ind. The following year he moved to Kankakee county, Ill., where he remained until the early spring of 1876. At that date he moved to Dwight township, Livingston county, locating on a farm in close proximity to the city. He lived in the county until 1904, when he returned and made his home in Dwight.

Mr. Klein was united in marriage to Emma Klughart of Dwight, Ill., March 4, 1875.

He leaves to mourn his death, the sorrow-stricken wife, three sons, Norman, who is married and lives on a farm south of Dwight and John and Frank, who always lived at home with the parents, and other relatives, besides a large circle of friends.

A number of years ago Mr. Klein decided for a Christian life, and identified himself with the Evangelical church. Our brother was a faithful member, a good, indulgent father, kind husband and a respected citizen. The immediate cause of his death was an abscess on the brain. He was apparently in his usual health until Friday evening, when he was stricken with his last affliction. Our brother was a brave sufferer with a malady that troubled him more or less for thirty-two years.

Funeral services were held at the Evangelical church Thursday at 1 p. m., Rev. Henry Ebert officiating. Interment was in Oaklawn cemetery.

Card of Thanks.

We wish to thank all friends and neighbors for their many kindnesses and sympathy during the sickness and death of husband and father. Also for the floral tributes.

MRS. KLEIN AND FAMILY.

Light Vote Polled.

The village primaries held Tuesday caused hardly a ripple of commotion and a very light vote was cast. The fact that no petitions had been filed and therefore no names being printed on the tickets, was one of the reasons.

The heaviest vote cast was on the Business Men's ticket, on which A. F. Mette received 80, Ed. Chalmers 86, and Gus Ohlendorf 75 votes for trustees. Jos. Diefenbach for clerk received 26 votes and Miss Edith Welch received 33 votes. For committeeman C. H. Thompson received 28 votes.

On the Democratic ticket Ed. Chalmers, Jas. Hanlon and Simon Klitz each received one vote for trustee. No clerk was nominated. L. J. Trunnell and James Kelagher each received one vote for committeeman.

On the Republican ticket Ed. Chalmers, Levi Reeder and Simon Klitz each received one vote for trustee. A. I. Graves received one vote for clerk. F. L. Smith received one vote for committeeman.

On the Socialist ticket Levi Reeder received one vote for committeeman.

Many of those nominated on the Democratic and Republican tickets are withdrawing and it would look now as if the Business Men's ticket and the Anti-License ticket which it is expected will be filed by petition, might be the only tickets in the field by election time.

Thompson-Hoffner Wedding.

Mr. Peter Thompson of Sunbury and Miss Eva Hoffner, daughter of Mr. and Mrs. John Hoffner of Sunbury, were united in marriage at the Methodist Episcopal parsonage in Dwight Wednesday morning, March 11th, Rev. Geo. H. McClung officiating. The bride and groom were attended by Miss Carrie Thompson and Mr. Ben Hoffner, sister of groom and brother of the bride. The bride was prettily attired in a white messaline silk gown covered with shadow lace and the groom wore the conventional black. A few immediate relatives were present. After a sumptuous dinner at the home of Mrs. Pierson, an aunt of the groom, they left for Chicago and vicinity where they will spend their honeymoon. Mr. Thompson is an enterprising young man of sterling character, and they will make their home on the Brinkmann farm, west of Streator.

Temperance Meeting.

What was judged the best meeting thus far was held in Odd Fellows Hall last Wednesday evening, Mr. Geo. Maginnis of Chicago being the speaker. He argued that the legalized liquor traffic was opposed to the true welfare of a community from every standpoint. He called attention to the difference between personal liberty and civil liberty. Personal liberty killed Lincoln, but civil liberty executed Booth. Personal liberty killed Garfield, but civil liberty swung Giteau into eternity from the end of a rope; personal liberty killed McKinley, but civil liberty by a powerful electric shock slew his assassin. He argued that the liquor traffic interfered with life, liberty and the pursuit of happiness. He dwelt upon the influence of the saloon in politics and by figures from Waukegan explained the extravagance of wet councils, and how one new board secured the equivalent of \$27,000 by cutting down useless expenditure and securing other revenue from legitimate sources. His story of the juggler and the Indian dog brought down the house. At the close of the meeting Mr. Barry called attention to the fact that almost all fraternal organization, Odd Fellows, Masons, Knights of Pythias, Knights of Columbus, Modern Woodmen bar liquor dealers from membership, and held it inconsistent for members of those organizations to vote for or work for saloons.

Meeting and Smoker.

Tuesday evening, March 24, a meeting is to be held at the rooms of the Commercial club at which all club members and the business men of the town are invited to be present. The meeting will be addressed by Albert C. Ferguson, president of the Illinois Commercial Federation. The Dwight club at its last board meeting voted to affiliate with this organization, and the meeting and talk at this time by the president of this organization will be interesting and instructive to everybody.

The scope of this association is to aid and promote a closer relation between the different commercial bodies throughout the state and to formulate and pass along plans and ideas for the betterment of the different communities.

Mr. Ferguson will arrive here during the afternoon and will look over our village and may be able to suggest some things which can be done to better local conditions.

This meeting is being called by and being arranged for by the Commercial Club. It particularly invites all business men, whether members or not, to attend.

Factory Assured.

Since the announcement last week Mr. E. G. Atkins of the Atkins Carburetor Co., has been here at Dwight, meeting and talking with our citizens and has met with such assurances that the factory is to be moved to Dwight.

Already \$4,170 has been subscribed and other definite promises have been given. These subscriptions have been made payable to the First National bank and are to be held by them in trust to pay the same to said Atkins Carburetor Co. immediately after the legal formalities of increasing capital stock of said company have been complied with and in exchange for properly executed stock certificates.

Mr. Atkins is endeavoring to make arrangements for some suitable building and location and will move as soon as these arrangements have been made. It is expected this will be within the next two weeks.

Any one desiring to subscribe can find a subscription blank with Mr. J. J. Doherty at the First National bank.

Notice.

The tax books of Dwight township will close on Wednesday evening, March 25th, and will be sent to the county treasurer. It is requested by the county treasurer that all personal tax be paid before closing the books or an additional cost is attached to them for the notification.—C. E. Welch, Collector.

Horse Sale.

The horse sale held Wednesday at John Hayes' livery barn was largely attended and all the horses sold well. The highest amount brought for one horse was \$205. Seed corn was also sold and brought as high as two dollars per bushel. C. E. Bute was the auctioneer. John Hayes sold eleven of his own horses, but still has enough to conduct his business with.

THE DIFFERENCE

The difference between a dollar saved and a dollar spent is just TWO DOLLARS.

This does not appear large perhaps when only one dollar is considered. But the difference between the policy of saving and the policy of spending is just exactly the difference between success and failure. It is the difference between dependence and independence. The difference between the hard luck story and the story of comfortable living.

If you avail yourself of the opportunities which come to everyone and make use of our facilities you will never regret having followed the policy of thrift.
