

**DWIGHT NOTES**

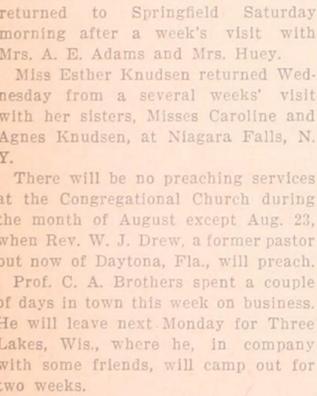

A. P. Kern went to Streator Thursday. Leslie Chase went to Kentland, Ind., Wednesday. John Farrel, of Kinsman, autoed to our town Friday. Pay your water rent at First National Bank. J. W. Grady.—Adv. Representative Danial O'Connell, of Kinsman, was a business caller here Friday. Orr Bros. wired Jas. Silk's new residence which is being built eight miles north of town.—Adv. Mrs. Long, of Chicago, was the guest of Reverend and Mrs. McClung several days this week. Oliver Naffziger visited his sub-agents at Kinsman, Verona, Mazon and Gardner Saturday. Mrs. W. S. Bennington is visiting with her son and family, Mr. C. C. Decker, at Warren, Wis. Supt. S. P. Henderson and Genl. A. P. Titus, of the Chicago & Alton laid over here Friday in their special car. Miss Bressingham, of Gardner, and Miss Mattie Hayes left Wednesday for a visit with relatives at Watertown, S. D. Mrs. Bressingham, of near Gardner, visited Wednesday with Mrs. Bressingham's parents, Mr. and Mrs. David Hayes. John Weber and mother-in-law, Mrs. Leonard Krug, spent Sunday with the latter's son, Christie Krug, near Gardner. Mrs. John Weber, who broke her arm a couple of weeks ago, is able to have it out of the cast and can use it a little. Mrs. A. P. Danforth and Mrs. Dr. G. M. Cushing, of Chicago, are spending the week-end with Mr. and Mrs. F. Brubaker. Mrs. Percy S. Brubaker and daughter, Katherine, are going to Chicago Sunday evening to visit her mother and sister for a few days. Miss Mary Taylor returned from Chicago Wednesday accompanied by her cousin, Harry Perry, who will spend the remainder of the week here. Mr. and Mrs. H. F. Adams, son Forrest, and daughters Olga and Helen, returned to Springfield Saturday morning after a week's visit with Mrs. A. E. Adams and Mrs. Huey. Miss Esther Knudsen returned Wednesday from a several weeks' visit with her sisters, Misses Caroline and Agnes Knudsen, at Niagara Falls, N. Y.

There will be no preaching services at the Congregational Church during the month of August except Aug. 23, when Rev. W. J. Drew, a former pastor but now of Daytona, Fla., will preach. Prof. C. A. Brothers spent a couple of days in town this week on business. He will leave next Monday for Three Lakes, Wis., where he, in company with some friends, will camp out for two weeks.

**Threshing.** There is lots of threshing done and going on in these parts, and the yield is much more than was predicted a few weeks ago. The yield has been all the way from thirty-five to fifty-five bushels per acre. The reports regarding corn are that if rain comes inside of a week the crop will be immense, but if the drouth continues there will be a short crop. The ears are forming nicely and all they need is moisture by the bucket full for a few hours. Let us hope.

**Only Silk Hose Really Correct**

The dainty shoes of today's mode should only be worn with silk hose. Any other hosiery detracts so much from the style and novelty of such fetching creations as this Parisian slipper shown here. The woman of good taste will find in our showing of Phoenix Silk Hosiery just the shades which she most desires. And she will find hose of unequalled value—hose knitted from real Thread Silk, priced within reach of practically every purse.

A new pair to replace each pair that does not give satisfactory wear.

**HERMAN DEUTSCH**

**Chatsworth Defeated at Piper City by F. L. Smiths.**

Last Friday the F. L. Smiths journeyed to Piper City to play the rubber of a three-game series with Chatsworth. Each team had one victory to its credit. Knight, the Smiths third baseman, could not get away and Warnie Miller of Morris was on third. Manager Seabert had also engaged Phillips, of Streator, to do the catching, not knowing our regular first baseman would be home as he had to make a trip to Louisville, Kentucky. Hamilton was on the mound for the Smiths while the Chatsworth boys had a big leaguer, McGee, to do the heavy work for them. The Smiths won the toss and took their outs. The first two men were easy outs but H. Mersenhelder met one of Hamilton's fast ones for two bases, and Gravel singled, scoring him. The next man struck out. The Chatsworth fans were frantic with joy when McGee retired Breneisa and Lannon on strikes. Boyer was hit by pitched ball. W. Miller out, pitcher to first. The Chatsworth sports were circulating through the crowd with all kinds of money to bet on their team. They found plenty of money to cover it among the Dwight, Piper City and Cullom crowds.

In the third things began to look bad for the Chatsworth boys. McGee could not locate the plate and walked Hamilton and Breneisa. Lannon hit to Gravel and Hamilton was called out on a close play at home plate. Boyer was hit by pitched ball, filling the bases. Breneisa scored on Miller's infield hit, Lannon out at third on the play. Phillips walked, filling the bases. Burns out, Gravel to G. Mersenhelder. In the fourth five errors and one hit netted the Chatsworth boys three runs.

The Smiths got busy in the fifth and batted around, driving McGee from the box and scoring six runs. Walker went in and pitched to W. Miller, striking him out and ending the agony. The Smiths scored two more in the eighth just to show them that they could have trimmed Mr. Walker the same as they did McGee.

The Chatsworth boys were easy picking in the ninth and their admirers wended their way home heavy hearted but with lighter pocketbooks than they had when they landed in Piper City.

The game in Chatsworth July 19 should have been won by the Smiths. Poor base running and costly errors were responsible for their defeat. When the F. L. Smiths make thirteen safe drives and only four runs there is something wrong.

We repeat the statement made after the game here at Dwight that the Chatsworth team is not in the same class as the Smiths and any time they win a game from them they are lucky. Following is the score:

**F. L. Smiths Win From Morris.** The jinx is lost and from now on the F. L. Smiths will undoubtedly continue to win from the Morris boys as in the past. Mickelson was on the mound for the Smiths Sunday and for seven innings but two hits were made by the Morris boys, Warnie Miller getting one in the third and Sandy Woods one in the fifth.

Breneisa started things in the second with a screaming three base hit and scored on sacrifice fly to Gleghorn by Burns. In the third the Smiths got real busy and scored three runs on singles by Ketcham, Knight and Lannon and Boyer's two base hit. Boyer scored another in the sixth. He was hit by a pitched ball, stole second and scored on a single by Burns.

The Morris boys scored their first run in the third. Burns made a long run for H. Enger's hit to right center but failed to hold it, Enger going to second; with two down, W. Miller singled, scoring Enger.

The eighth was an exciting inning and the Morris fans were pulling hard for their team to win. H. Miller dropped a Texas leaguer over second. Woods hit for two bases, W. Miller singled, R. Enger sacrificed them ahead. F. Flood struck out. Kutz singled but was out stealing, Boyer to Gutel, retiring the side with the Smiths still in the lead.

In the first of the ninth Mickelson settled down and retired the batters in order.

W. Miller's sensational fielding has saved the Morris boys lots of trouble in their games with Dwight this season. We predict for him a bright future in base ball as his fielding and throwing is as good as you will see in the big leagues.

S. Lannon in center field made two good catches of long drives that might have caused the Smiths some trouble. The game was well played on both sides and is the kind that makes base ball popular with the people.

Following is the score by innings:

Boyer's screaming two bagger in the third with three on bases won the game for Dwight.

The Smiths play Mornce Greys at West Side Park next Sunday, Aug. 2. Aug. 9, Morris Reds at Morris. Aug. 14, Cullom at Cullom. Aug. 15-16, Morris at West Side Park, Dwight, Ill.

**Going and Coming.** The people keep moving, and we chronicle at this time the departure of Dr. G. H. Pace and his family. They came among us about a year ago, and during that short time the doctor established himself and pulled our teeth, etc., and made us like it, and his family made lots of friends, and now we do not like to see them go. The doctor is a genial, fine man, and gains friends easily, and keeps them. While the family's departure is regretted, they are to be congratulated on the fact that they can retire from business and take things easy. The family left early in the week and the doctor Thursday for their new home in Wisconsin, where they will stay until spring, and then make their summer home in California. Success and good wishes go with them.

Dr. Pace has sold his dental business to Dr. Kinsman, of Chicago, who comes highly recommended. Dr. Kinsman is a recent graduate in dental surgery from a Chicago college. It is expected that he will be here and open the former office of Dr. Pace in McWilliams block about the 10th of August. The new doctor was recently married and we join the people in welcoming Dr. and Mrs. Kinsman to our city.

**Wet or Dry?**

Pontiac was quite a popular place Thursday. There was a nice social meeting among a few men from different parts of the county. The principal entertainers were the judge and state's attorney, and for fear that the first named men might get lonesome they invited several others from Dwight to come down and tell them stories for further entertainment.

We believe the first named gathering was called Grand Jury, whatever that is.

It seems that a couple of fellows who were passing themselves off as painters (not printers)—probably their painting was generally red—had visited Dwight, and while there, whether on account of the dry weather or not or whether they had been eating codfish, they looked for something wet that didn't come from the standpoint.

The painters and the people from Dwight told their stories and tried to amuse the legal bunch, but they wouldn't stand for it, and so they went into the bond business and will return to Pontiac on demand, and the first lesson is not yet ended.

**Railroad News.**

Everyone who travels on the C. & A. road will be pleased to know that the bridge in Chicago is finished. Trains have been delayed there for months.

Tuesday was pay day. Fireman Bean was overcome with the heat last week.

Conductors who run excursion trains are ordered to find out as near as possible the trains on which the patrons expect to return, so as to provide extra cars. That's a good idea.

# HUDSON Six-40 for 1915

## New Price \$1,550 F. O. B Detroit

### 32 Surprises

#### A Year's Refinements

The HUDSON Six-40 for 1915 brings out 32 surprises. And every one will be of interest to you. There are 31 new features. And there is a new price—by far the lowest price that has ever been quoted on any type of quality car.

**The Model Six**  
The HUDSON Six-40 came out last year to show Howard E. Coffin's ideal in a Six. Mr. Coffin and his corps of 47 engineers had devoted three years to the model. By clever designing and proper materials they cut out 1,000 pounds of useless weight. By a new-type motor they saved about 30 per cent in operative cost under former cars of like capacity.

They created a car which was widely considered the handsomest car of the year. It was perfectly equipped. It had attractions which never before were found in any car at any price. That car—then priced at \$1,750—made such an appeal that the factory output was 3,000 cars oversold.

Some 1915 Features	
Distinguished streamline body.	Dimming searchlights.
Disappearing tonneau seats.	Simplified Delco starting, lighting and ignition system.
20-coat finish—invisible hinges.	"One-Man" top, with quick-adjusting curtains attached.
Extra tires carried ahead of front door.	Automatic spark advance.
Gasoline tank in dash.	Better carburetion.
	Weight reduced to 2,890 lbs.
