## FROM MORRIS

REV. AND MRS. F. S. PARKS DEPART FROM MORRIS—MORRIS REDS DEFEATED—TRIES TO BREAK JAIL—HIGH SCHOOL FOOT BALL TEAM HOLD MEETING—OTHER NEWS.

A meeting of the High School students eligible for football was held in the High School building Monday afternoon. The new teacher of athletics, John D. Fletcher, made a favorable impression and has played the game with success in Michigan and it is believed he can make a winning team out of the local students. In the Morris bunch they have the advantage of two years' experience and this is a great help in comparison with an inexperienced team. Gail Lamson was chosen captain of the squad for this year and Prof. Robey was elected manager. In the line up will be some of last year's players, Hendley Hoge, Ted Harrison, Ray Dix and Will Peacock. Regular practice will begin shortly and a schedule of games made up.

Rev. and Mrs. F. S. Parks, of the Free Methodist Church were given a farewell party Friday evening by a number of the congregation and friends and was a complete surprise to the worthy couple. One of their neighbors asked them to go with them to call on Mr. and Mrs. C. White on North Wauponsee street. They did so but had not been there long as the Reverend was summoned home by phone to perform a supposed marriage. He broke the speed law in getting there but found the house in darkness. When they entered the lights were turned on and much were they surprised to find such a happy gathering in possession of their home. Rev. Parks and his wife are to leave Morris but where they will locate will not be known until conference decides to where he will be transferred. This will be held in Peoria the first week in September. Rev. Parks has made many friends during his three years with the church in Morris. He is a progressive, able man, broad-minded and a forceful speaker. He has performed much for the good of his church in Morris and his estimable wife has ably assisted him in his work. His congregation and friends are sorry to see them leave but the term of pastorate has expired. The evening was pleasantly passed in singing and enjoying the delicious lunch served and the guests on departing wished Mr. and Mrs. Parks prosperity in their new home.

### C. S. SCHNEIDER

OF PAXTON, ILL.

### For Member of Congress

17th DISTRICT

Subject to the Decision of the Democratic Primaries, Sept. 9, 1914. YOUR SUPPORT WILL BE APPRECIATED.

Mr. Schneider is a lawyer of the highest standing at the bar in this district, a forceful and convincing speaker and fully able to discuss the issues of the day with any opposing candidate.

He made the race for Congress in 1908 against Hon. John A. Sterling and received 16,526 votes. Mr. Fitz-Henry, his opponent for the nomination, received only 14,251 votes when he ran against Mr. Sterling in 1910, and in 1912, although elected, he received only 14,057 votes. It will be seen that Mr. Schneider beat Mr. Fitz-Henry's vote in 1910 and in 1912 over 2,000 votes.

With a hard, close fight on hand this year it behooves the Democrats to select their strongest candidate. Mr. Schneider's supporters believe that he is by far the strongest candidate and that he can win if nominated.—Adv.

Henry Peterson was arrested Sunday evening by Police Chris Johnson for being drunk and taken to Bologna Junction or the city bungalow. There was already another inmate there on the same charge, one William Williams arrested by S. I. Lloyd, who was acting for Chief Armstrong. Along about 11 o'clock Sunday night the breaking of glass was heard at the Junction and an investigation found Peterson with a big-heavy crow bar in his hands smashing and prying at the window on the north side. This was covered by heavy wire netting and iron bars on the outside. He had succeeded in breaking out all of the glass and part of the window frame and had pried off part of the wire netting. It took a little trouble to subdue him and lock him in a cell, but it was accomplished. The crow bar was taken from the hook and ladder wagon, but who took it is not known at present. How it was handed in to Peterson is another puzzle unless through the window he endeavored to break out. Mayor Walsh was considerably incensed over the affair and advised the justice to inflict a heavy fine. Peterson was penitent when brought before Justice Schroder Monday morning but drew a fine of \$25 and costs, which will keep him in the Junction sixty days unless he can produce the wherewith. Williams was not implicated in the attempt to break jail and he got a fine of \$3 and costs but could not pay up. A search will be made for the party who handed in the crow bar and if taken will be given all that is coming to him.

The old enemies of the Morris Reds, the F. L. Smiths from Dwight, took the locals into camp here Sunday by the score of 4 to 2. The visitors were padded with three outside eligible league players and this fact added to the work in the first inning was the cause of the game being lost to the Reds. Irv. Enger's arm was a little off from the heavy work the first of the week, when he pitched nineteen innings at Braidwood. He put up a good game, however, and things might have been different but for the fatal first. Knight first up for the visitors landed for two bases. Lannon sacrificed him to third. Owens, a stranger, got to first on an error by Paderni—Knight scoring. Boyer singled. Good work on the bases by him and Owens made it possible for both to score on Breneisa's sacrifice fly to Gleghorn. Three runs created the lead that carried the Smiths to victory. Their other and only one after the first inning was obtained in the sixth when Breneisa hit for two bases, Gutel followed with a single after which Higgins did the same thing. Morris got its first run on flukes by Dwight. Paderni worked Kluckhorn for a pass. He got to second by speed on Woods' grounder but was caught at third when Woods stole second. Sandy was soon on third, Warnie Miller being put out on first. Flood got to first and Sandy got home on a fielder's choice. Roy Enger flew out to third for the last out. The second run made by Morris was in the seventh and was earned. A. Enger hit for two bases and was able to score on I. Enger's single.

The young couple are both well and favorably known, the bride residing in Godley until three or four years ago. A wedding dance will be given in their honor on Saturday evening in South Wilmington. On Sunday a reception will be tendered them at the home of the bride's parents, Mr. and Mrs. Frank Malek. The happy couple will make their future home on one of the farms of the groom's father.

The funeral of Mrs. Annie Reynolds, of Coal City, who passed away Friday evening about 7 o'clock, at the home of her daughter, Mrs. Edward Ryan, in Elleen, took place Sunday. She was 93 years old, and died after a long illness due to the infirmities of age. The body was taken to Assumption Church where the last rites over the dead was performed by Rev. J. P. Reuland, after which it was taken to Braidwood for burial, followed by a large number of relatives and friends. Mrs. Reynolds was born in Dairy Ayrshire, Scotland, on the 12th of July, 93 years ago. Coming to this country with her husband about 34 years ago, they settled in Coal City, where she has since resided. The husband and father died 26 years ago on the 16th

of August. She leaves two daughters, (Helen) Mrs. Henry Cairns, of Elleen, and (Elizabeth) Mrs. Edward Ryan, of Elleen, and three sons, Andrew and Joseph, of the state of Washington, and William of Girard, Illinois.

### Gleaners Picnic.

The Gleaners of Goodfarm and their many friends held their annual picnic Wednesday in the beautiful grove owned by the Goodfarm Arbor.

The heavy rain of the night before and the consequently muddy roads held the attendance down to a lower number than the year previous and if the roads had been good an immense crowd would have been present.

As it was the picnic with all its features was held as usual and those who were present thoroughly enjoyed the day.

The crowd gathered shortly after dinner and about 1:30 the program was started. The Crane orchestra of Joliet opened the program with a selection after which Rev. W. H. Smith gave the invocation. Charles Rogers, one of the leading Grundy County Gleaners gave a short talk welcoming the visitors to Goodfarm and also taking the advantage of the opportunity offered to compliment the Democratic party for the price of corn and oats and the peace this country is enjoying while the rest of the world is at war.

Miss Bernice Green, of Gardner, gave several readings in place of Williams, of Ottawa, who was unable to be present. She made a very favorable impression and graciously responded to a hearty encore.

A. H. Gleghorn, the County Treasurer, was next called upon and sang "My Ship of Dreams," "I Love the Ladies" and "Just a Dream of You."

Messrs. Hoffman, Stillman and Slocum, all prominent Gleaner organizers and head officials, spoke of the benefits to be derived from the organization and presented many arguments that were incontrovertible.

Israel Dudgeon, the only representative in the state legislature that is a member of the Gleaners, was called upon for a speech and gave a talk about legislative matters. He began by saying that he was not a speaker but was a fine singer. He wanted to sing as he was a much better vocalist than "that man Gleghorn" and if they would let him sing he would "show Gleg up." Fortunately he was prevailed upon to speak instead. At the conclusion of the program the annual base ball game was announced, the competing teams being Goodfarm and Odell. The Goodfarm players bore a strange resemblance to the Morris Reds and played much the same way and when the score was added up it was found that Goodfarm had 20 and Odell 2. The game while far from close afforded everyone much amusement and all enjoyed it greatly.
