

View taken at 50th anniversary celebration of the Leslie E. Keeley Company, held here September 17, 1939. People came here from all parts of the state and some from eastern states have been one of the largest ever assembled in Central Illinois. Not only the townspeople, but many throughout the surrounding territory, as well as former patients at the Institute former friends, and pay their respects to those in charge of this great humanitarian project. The speaker was Dr. Preston Bradley of Chicago, and there were a number of worth-while on the program.
