the Low Priced Zone

...y comfortable, but has great "ridabil-
... rough roads.

...we have the long stroke motor, full 35
...The design is in accordance with the
... engineering practice. Nothing better
...oloped. Everything is accessible.

...is, we believe, as quiet as any motor
...and with its 35 horsepower offers the
...raordinary capacity, both for speed and
...ing difficult road conditions. Compared
...rs of the same wheel-base, the "35" has
...a standard power.

...ating rear axle not only eliminates all
... axle trouble, but gives this car pre-
...ne construction as is used in the highest

...he owner of the Studebaker "35" will
...at his car equals in every way, and in
...surpasses, other cars of about the same
...are offered at several hundred dollars

GERALD LUND, who will be three years old April 15, is the son of Mr. and Mrs. Francis P. Lund of Gardner.
