GENE W. CURRIE, S. 2/C

Oakdale, F Living Sy

The realization of an idea
Conceived by the Women
Who, disregarding difference
Race, Creed, and Political
United to materialize a v
Education and Correction
Women convicted of offe
The law and, heretofore,
County and city jails wit
Or possibility of rehabili

A woman, who has a hobby, the carrying out of which tends toward woman the reformation of erring life, is the man exception rather than the rule. In that the institution west of Dwight, Oakdale, the managing officer for which man is now and has been since it was and opened here in 1930, Miss Helen trod Hazard, is such a woman, and in the ing
