A. HOOD.

THE WEATHER.

We are having one of those peculiar spells of weather common only to early Spring when the young year, fickle and changeable in its babyhood like all other created things, is undecided whether to step backward into winter or forward into summer. and in its uncertainty inclines now to the one and now to the other and now to both at once—wooing summer, in the sunshine, and lingering still with winter in the shade.

KNEW HIM.

What did it mean? As a man was being released from durance vile last Saturday evening, he pointed to a certain Ex. Auctioneer, ex. Elocutionist, ex. Homeopathist, ex. Democratic orator, ex. Insurance Agent, and "exit" Warsaw, Chatsworth, and many other places, individual and inquired his name, upon being told, remarked; Oh! I know him, he ran away from Chatsworth!
